

Planning Commission Agenda Correspondence

DATE: September 6, 2023

TO: Chair and Commissioners

FROM: Daisy Wiberg, Homelessness Response Manager

VIA: Tyler Corey, Deputy Community Development Director

SUBJECT: ITEM 4A - 1700 PALM ST. (DIR-0378-2023) CAPSLO SAFE PARKING SITE – APPLICATION WITHDRAWAL.

Discussion

The City values the community's input on Item 4a of the September 6, 2023 Special Meeting of the Planning Commission regarding review of an Interim Safe Parking Location at 1700 Palm Street (DIR-0378-2023). In the course of reviewing agenda correspondence related to this item, City staff was made aware of recent case law that casts doubt on the City's ability to temporarily close Palm Street pursuant to California Vehicle Code Section 21101(e) to establish a safe parking location at that location. At this time, Community Action Partnership of San Luis Obispo (CAPSLO) has withdrawn their application for the 1700 Palm Street location. Therefore, there is no application for use of Palm Street as an interim Safe Parking location under consideration by the Planning Commission (or the City's Community Development Director).

The Planning Commission will still hold a meeting tonight and staff will provide an overview of the rotating safe parking program with an opportunity for the public and Planning Commission to provide comments, however no action will be taken by the Planning Commission.
