SECTION 3. THE TRUSTEES

3.1 The Board of Trustees.

The Trust Fund and the employee welfare benefit plans shall be administered by a Board of Trustees.

3.2 Statutory Capacities of Trustees.

For purposes of complying with the various provisions of the Employee Retirement Income Security Act of 1974, the Trustees shall be considered as “named fiduciaries,” “fiduciaries,” and the “plan administrator,” as those terms are used in the Act.

3.3 Agents for Service of Process.

Each Trustee shall be considered as an agent of the Trust Fund for the purpose of accepting service of legal process; provided that the Trustees may designate their administrative agent, or another person, as agent of the Trust Fund for this purpose.

3.4 Number and Term of Trustees.

(a) Number and Election. There shall be five Trustees, one elected from each of the four Regions of PORAC, if available, and one appointed by the President of PORAC. If there is a PORAC Region without a PORAC member Association participating in the Trust, then the President of PORAC shall appoint a Trustee from that Region to fill the vacancy, until the end of the term pursuant to 4b hereof. Elections and appointments shall be conducted according to the PORAC Bylaws.

(b) Term. The term of a Trustee shall be for two years, beginning on January 1 following the PORAC convention at which the Trustee was appointed or elected.

3.5 Requirement to be a Participant in the Trust.

Subject to Section 3.4(a), each person elected as a Trustee must be a participant in the Trust (or have retired from a participating association that is currently participating in the Trust). All Trustees must be either active or retired members of PORAC. Active employees shall be non-management employees. Generally, non-management employees are employees below the rank of commander. The Trustees shall have the discretion to determine if an employee qualifies as a non-management employee.

3.6 Appointment of Successor Trustees.

In the event of the termination of appointment, resignation, or death of a Trustee, a successor Trustee shall be selected according to PORAC Bylaws for filling a vacancy on a PORAC Board.

3.7 Individuals Disqualified from Serving as Trustees.

No individual who has been convicted of any of the crimes listed in Section 411(a) of the Employee Retirement Income Security Act of 1974 shall serve as a Trustee during the period of disqualification specified in the statute.

3.8 Acceptance of Appointment by Trustees.

Each Trustee shall sign a document accepting his position as Trustee and agreeing to abide by the terms and provisions of this Trust Agreement. Alternatively, acceptance will be deemed to occur by attendance at two Trustee meetings.

3.9 Term of Appointment.

Each Trustee shall serve until termination of appointment, resignation, or death.

3.10 Termination of Appointment by Appointing Entity.

The appointment of a Trustee may be terminated at any time by the entity which originally made the appointment, according to such entity's internal rules, procedures, or practices.

The termination of a Trustee's appointment shall be effective upon the termination date specified in a written notice of termination, addressed to the Chairman and Secretary of the Trustees, prepared by the appointing entity.

3.11 Termination of Appointment for Failure to Attend Meetings.

The appointment of a Trustee shall be automatically terminated if such Trustee fails to attend three (3) consecutive meetings of the Trustees, without being excused from attendance by specific action of the remaining Trustees noted in the minutes.

3.12 Termination of Appointment for Conviction of a Crime.

The appointment of a Trustee shall be automatically terminated if such Trustee is convicted of any of the crimes listed in Section 411(a) of the Employee Retirement Income Security Act of 1974.

3.13 Termination of Appointment for Mental Incapacity.

The appointment of a Trustee shall be automatically terminated if such Trustee is declared mentally incompetent by court decree.

3.14 Resignation of Appointment.

A Trustee may resign his appointment at any time subject to applicable law. Such resignation shall be effective upon the resignation date specified in a written notice of resignation addressed to the Chairman and Secretary of the Trustees.

3.15 Vacancies.

No vacancy in the position of Trustee shall impair the power of the remaining Trustees to administer the affairs of the Trust Fund so long as a quorum exists as specified in Section 4.2 hereof.

3.16 Return of Books and Records.

In the event of the termination of appointment, resignation, or death of a Trustee, the Trustee (or his legal guardian, heirs, or personal representative) shall, upon the request of the Chairman or the Secretary of the Trustees, forthwith turn over to the Chairman or Secretary any and all records, books, documents, monies, and other property in the possession of the Trustee, or under his control, that belong to the Trust Fund or that were received by him in his capacity as Trustee.

SECTION 4. TRUST FUND ADMINISTRATION

4.1 Manner of Voting.

Any action to be taken by the Trustees shall be determined by majority vote of the total number of Trustees in attendance at the meeting, with abstentions deemed not to be votes.

4.2 Constitution of a Quorum.

To constitute a valid regular or special meeting of the Trustees, a quorum must be present. A quorum exists if there are present at a meeting a majority of the number of Trustee positions pursuant to Section 3.4 hereof, even if all positions are not filled.

4.3 Motions.

Any Trustee, including the Chairman or Secretary, may offer or second any motion or resolution presented for the Trustees' consideration.

4.4 Prohibition of Proxies.

To encourage full attendance at meetings of the Trustees and due consideration of the matters being voted upon, there shall be no proxies. A Trustee must be present in person, or by telephonic conference, to cast a vote.

4.5 Regular Meetings.

The Trustees shall hold regular periodic meetings consistent with the needs of Trust Fund business, provided that there shall be at least two (2) regular meetings held during each calendar year. The Trustees shall determine the time and place of all such meetings.

4.6 Special Meetings.

Either the Chairman or the Secretary or any two (2) Trustees may call a special meeting of the Trustees by giving written notice to all the other Trustees of the time and place of such meeting at least ten (10) days before the date set for the meeting, provided that ten (10) days' advance notice shall not be necessary if all Trustees are agreeable to an earlier meeting.

4.7 Action Without a Formal Meeting.

The Trustees may take action without a formal meeting by means of (a) a conference telephone call, arranged by the Secretary or the administrative agent, in which all Trustees participate; (b) the presentation of a written motion or resolution sent to all Trustees by the Secretary or the administrative agent and the subsequent obtaining of Trustee votes on the motion or resolution in telephone calls placed to each Trustee by the Secretary or the administrative agent; or (c) the presentation of a written motion or resolution sent to all Trustees by the Secretary or the

administrative agent and the subsequent obtaining of Trustee votes on the motion or resolution in letters sent by each Trustee to the Secretary or the administrative agent.

Any such action shall be reported in the minutes of the next formal meeting.

4.8 Arbitration of Deadlocked Issues.

In the event the Trustees should deadlock on any matter submitted for their concurrence, the dispute may be referred by either group of Trustees to an impartial arbitrator in accordance with the labor arbitration rules of the American Arbitration Association. A deadlock shall be deemed to occur when there is a tie vote on any motion before the Trustees.

The Trustees shall attempt to agree on the joint submission of a statement of the issue in dispute. However, if the Trustees cannot jointly agree upon such a statement, each group of Trustees shall submit to the arbitrator, in writing, its version of the issue in dispute. As part of his award, the arbitrator shall state his determination as to the exact issue.

The expenses of any such arbitration, including any court proceedings relating thereto, the fee of the arbitrator, and the reasonable attorney and witness fees of the parties shall be chargeable to the Trust Fund.

The decision and award of the arbitrator shall be final and binding upon the Trustees and upon all parties whose interests are affected thereby.

The procedure specified in this Section shall be the sole and exclusive procedure for the resolution of deadlocked issues.

4.9 Election of Chairman and Secretary.

The Trustees shall elect one of the Trustees as Chairman and one of the Trustees as Secretary.

The Chairman and the Secretary shall each hold office indefinitely so long as the person is a Trustee, provided that, when a particular Chairman or Secretary has held office for two (2) years or at any time thereafter, any Trustee may obtain, on request, a new election of that officer.

A Chairman or Secretary may resign his office at any time. Such resignation shall be effective upon the resignation date specified in a written notice of resignation addressed to the remaining Trustees. In case of the resignation, death, or termination of appointment of either the Chairman or the Secretary, there shall be a new election of both offices.

4.10 Duties of Chairman and Secretary.

The Chairman shall chair the meetings of the Trustees, shall appoint all committees, and shall carry out such other duties as the Trustees may assign to him.

The Secretary, in the absence of the Chairman, shall act in the place of the Chairman and perform the Chairman's duties. The Secretary shall also advise the Trustees as to all correspondence and financial reports pertaining to the Trust Fund and shall keep minutes or records of all meetings, proceedings, and actions of the Trustees, provided that these particular responsibilities may be delegated to the administrative agent or to the other of the professional or non-professional help retained by the Trustees.

4.11 Authorized Signatures.

The Chairman and the Secretary or any two authorized Trustees shall sign all negotiable instruments, certificates, contracts, government reports, and other legal documents on behalf of the Trust Fund, provided that the authority for signing negotiable instruments may be delegated to the administrative agent, corporate trustee (if any), depository bank, or custodian bank. All persons doing business with the Trust Fund may rely on such signatures.

If the Trust Fund issues benefit checks to participating employees or their beneficiaries, the signatures of the Chairman and Secretary may be affixed thereto by a facsimile signature device, under safeguards determined by the Trustees.

4.12 Compensation and Expenses.

No Trustee shall receive any compensation from the Trust Fund for services as a Trustee except as may be allowed under the Employee Retirement Income Security Act of 1974, and as may be authorized by the Trustees.

Each Trustee shall be reimbursed out of the Trust Fund for all expenses properly and actually incurred by him in the administration of the Trust Fund.

The Trustees shall establish the conditions for the payment of compensation (if any) and for the reimbursement of expenses.

4.13 Benefits to Trustees Not Prohibited.

Nothing in this Trust Agreement shall prohibit a Trustee from receiving any benefits under the terms of a benefit plan, if he is otherwise eligible for the same as a participating employee or as a beneficiary of a participating employee.

SECTION 5. PARTICIPATION

5.1 Bargaining Units Entitled to Participate.

The following labor organizations (or their successors), and the employees in the bargaining units represented by such labor organizations, shall be allowed to participate in the Trust Fund:

Member Associations of PORAC

5.2 Other Bargaining Units.

Subject to approval by the Board of Directors of PORAC, the Trustees shall have the authority to permit labor organizations (other than those specified above), and the employees in a bargaining unit covered by a collective bargaining agreement, to participate in the Trust Fund.

The participation of such bargaining units shall be entirely discretionary with the Trustees and shall be subject to whatever terms and conditions they may impose.

The Trustees have the authority to decline or terminate the participation of a particular bargaining unit if (a) the labor organization and the employer fail to provide the Trustees with a copy of their collective bargaining agreement; (b) the language of the contribution provisions in the collective bargaining agreement does not meet the requirements established by the Trustees (if any); (c) the labor organization fails to submit a subscription agreement binding it to this Trust Agreement, if required; (d) the negotiated contribution rate is lesser, or greater, than the contribution rate supporting a particular benefit plan then being administered by the Trustees, provided that the Trustees, in their discretion, may accept the different contribution rate and establish different eligibility rules or benefit formulas for the employees affected; or (e) there exist other facts and circumstances that, in the Trustees' discretion, justify a declination or termination of participation.

5.3 Non-Bargaining Unit Employees of Participating Employers.

The Trustees shall have the authority to enter into subscription agreements directly with participating employers, who are contributing for their bargaining unit employees, by the terms of which such an employer agrees to make contributions to the Trust Fund so that the non-bargaining unit employees of the employer can be covered by the benefit plans provided through the Trust Fund.

The acceptance of such subscription agreements shall be entirely discretionary with the Trustees and shall be subject to applicable law and whatever terms and conditions they may impose.

5.4 Unauthorized Participation.

The only individuals who shall be entitled to participate in and receive benefits from the Trust Fund shall be those employees who are within the bargaining units described in Sections 1 and 2 or who are within the group described in Section 3 above. It is expected that participating employers will submit contributions only on behalf of such employees. The receipt by the Trust Fund of contributions which may be submitted on behalf of individuals who are not eligible to participate shall not estop the Trustees from declining or terminating the participation of such individuals nor shall it constitute a waiver of any of the provisions of this Section or of the benefit plans.

SECTION 6. TRUSTEE RESPONSIBILITIES

6.1 General Duty – Receipt of Contributions and Creation and Administration of Benefit Plans.

It shall be the general duty of the Trustees to receive the contributions from participating employers and the contributions from participating employees (if any) and any other income or assets that they may receive and, with such, to create and administer one or more employee welfare benefit plans for the participating employees and their beneficiaries.

Additionally, the Trustees shall have the specific duties set forth in this Trust Agreement and such other duties as are imposed upon them by the Employee Retirement Income Security Act of 1974 and other applicable laws.

The basis on which benefits are paid out of the Trust Fund shall be as specified in the employee welfare benefits plans.

As required by Section 403(c)(1) of the Employee Retirement Income Security Act of 1974, the assets of the Trust Fund shall never inure to the benefit of any participating employer and shall be held for the exclusive purposes of providing benefits to participating employees and their beneficiaries and defraying reasonable expenses of administering the plan.

In carrying out the duties, the Trustees shall act with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent man, acting in a like capacity and familiar with such matters, would use in the conduct of an enterprise of a like character and with like aims.

6.6 Deposits.

The contributions or any other monies which the Trustees may receive shall be deposited in one or more banks or similar financial institutions supervised by the United States or a state, pending the allocation of such monies for the payment of current benefits and expenses or for investment. Such monies may be commingled, on a temporary basis, with monies belonging to other related trust funds.

6.7 Investments.

The Trustees may invest and reinvest in bank accounts, savings and loan accounts, securities, mortgages, deeds of trust, notes, commercial paper, real estate, insurance contracts, and in such other property, real, personal, or mixed, as they deem prudent provided that, in making of investments, the Trustees shall diversify such investments as required by Section 404(a)(1)(C) of the Employee Retirement Income Security Act of 1974 so as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so. Further, no investment shall be made which would constitute a “prohibited transaction” within the meaning of Section 406 of such Act, provided that the Trustees shall have the authority to apply to the Secretary of Labor for a conditional or unconditional exemption from any of the “prohibited transaction” rules, as they may deem necessary in the administration of the Trust Fund and the benefit plans.

6.8 Specifically Permitted Investments.

In the event the Trustees designate one or more banks or similar financial institutions supervised by the United States or a state to serve as custodian of the trust assets, or as a corporate trustee, or in another fiduciary capacity, the monies belonging to the Trust Fund may be invested in the accounts of such bank or institution, provided that such accounts bear a reasonable interest rate.

Further, the monies of the Trust Fund may be invested in (a) a common or collective trust fund or pooled investment fund, maintained by a bank or trust company supervised by the United States or a state or (b) in a pooled investment fund of an insurance company, even though such bank, trust company, or insurance company is a party-in-interest as that term is designated in Section 3(14) of the Employee Retirement Income Security Act of 1974, provided that the bank, trust company, or insurance company receives not more than reasonable compensation for managing such an investment.

6.9 Title to Investments and Other Assets.

The cost of such bond shall be chargeable to the Trust Fund, provided that, if such bond covers persons other than the Trustees or the employees (if any), and if there is an additional premium for the coverage for such other persons, the additional premium shall be chargeable to such other persons.

6.11 Records.

The Trustees shall maintain records of their administration of the Trust Fund, including records of all receipts and disbursements, all investments purchased or sold, the texts of all benefit plans, all employee eligibility listings, all minutes of Trustee meetings, and all correspondence. No such record shall be destroyed except upon the specific action of the Trustees, and destruction shall not be directed until a period of eight (8) years has elapsed from the date the record was created.

6.12 Annual Audit.

The Trustees shall engage, on behalf of the participating employees and their beneficiaries, an independent qualified public accountant and shall authorize such accountant to conduct an annual financial examination of the Trust Fund, as required by Section 103(a)(3)(A) of the Employee Retirement Income Security Act of 1974. The cost of such examination shall be chargeable to the Trust Fund.

6.16 Procedure for Review of Denied Benefit Claims.

The Trustees shall establish administrative procedures whereby participating employees or their beneficiaries whose claims for benefits are denied are notified, in writing, of the reasons for such denial and which afford such a participating employee or beneficiary a reasonable opportunity for a full and fair review, as required by Section 503 of the Employee Retirement Income Security Act of 1974. Such procedures shall include the hearing and appeal provisions set forth in Section 10 hereof.

6.17 Privacy Rule.

The Trustees shall have the authority to implement policies and procedures and take any other action that may be required in order to comply with HIPAA and the Privacy Rule. Any omissions or oversights in the use and/or disclosure of PHI will be resolved in accordance with the applicable law and its regulation(s).

6.18 Whistleblower Policy.

The Trustees shall discharge their duties and administer the Trust Fund in such a manner as to comply with Section 510 of the Employee Retirement Income Security Act of 1974, 'Interference with Rights Protected under Act.'

SECTION 7. ALLOCATION OR DELEGATION OF TRUSTEE RESPONSIBILITIES

7.1 Allocation of Responsibilities to Committees.

The Trustees may allocate to one or more committees of Trustees all or part of the following responsibilities, with full Power to act: (a) the responsibility for managing the Trust Fund investments (if not otherwise delegated to a qualified investment manager); (b) the responsibility for reviewing and determining benefit claims of participating employees and their beneficiaries; (c) the responsibility for conducting hearings and issuing determinations as provided for in Section 10.2 hereof; (d) the responsibility for resolving questions or problems that may be encountered in connection with payroll auditing activities; (e) the responsibility for resolving questions or problems that may be encountered in connection with payroll auditing activities; (f) the responsibility for resolving questions or problems that may be encountered in connection with the collection of delinquent employer accounts; (g) the responsibility for resolving questions or problems that may be encountered in connection with the day-to-day work of the administrative agent; (h) the responsibility for reviewing the performance of the qualified investment manager (if any), and of the other professional persons retained by the Trustees.

In the event the Trustees elect to allocate any of the stated responsibilities, they shall do so by the adoption of a motion or resolution calling for the appointment of a committee of Trustees and specifying the particular responsibility that is being allocated. With respect to the responsibility that is allocated, the committee shall have all the powers of the full Board of Trustees. Any action to be taken by the committee shall be determined according to the voting formula contained in Section 4.1 hereof. If the committee members deadlock on any matter submitted for their concurrence, such matter shall be referred to the full Board of Trustees for review and action.

Nothing contained herein shall in any way limit the authority of the Trustees to create additional committees for the purpose of assisting with or expediting the affairs of the Trust Fund, provided that any such committee shall be empowered only to make recommendations with respect to the matters referred to it.

7.2 Delegation of Investment Responsibilities.

The Trustees may delegate all or part of their responsibilities for the management of the Trust Fund investments to one or more qualified investment managers, as that term is defined in Section 3(38) of the Employee Retirement Income Security Act of 1974, i.e., (a) an investment adviser registered as such under the Investment Advisers Act of 1940; (b) a bank as defined in that

Act; or (c) an insurance company qualified to manage, acquire, or dispose of employee benefit plan assets under the laws of more than one state.

In the event the Trustees elect to delegate investment responsibility they shall do so by the adoption of a motion or resolution making the delegation to a designated investment manager. The delegation shall be effective when the investment manager accepts the delegation and acknowledges in writing his status as a fiduciary with respect to the Trust Fund.

7.3 Delegation of Other Responsibilities.

The Trustees may delegate all or part of their responsibilities with respect to the administration of the Trust Fund or the benefit plans (except investment responsibilities) to their administrative agent or to any other person whom they may designate for such purpose.

In the event the Trustees elect to delegate a particular responsibility they shall do so by the adoption of a motion or resolution making the delegation to a designated person. The delegation shall be effective when the designated person accepts the delegation. If the delegation involves a responsibility other than one which is ministerial in nature, the designated person shall also acknowledge in writing his status as a fiduciary with respect to the Trust Fund.

7.4 Review of Performance.

In the event the Trustees elect to allocate or delegate Trustee responsibilities they shall periodically review the performance of the persons to whom such responsibilities have been allocated or delegated.

SECTION 8. TRUSTEE POWERS

8.1 General Powers.

Except as may be expressly limited by the terms of this Trust Agreement, Trustees shall have full and exclusive authority to control and administer the Trust Fund and the employee welfare benefit plans which they create.

The authority of the Trustees not only encompasses the specific powers recited in the various paragraphs of this Trust Agreement but also includes the general power to do all things and take all actions, including the expenditure of Trust Fund monies, which they may deem necessary to carry out the purpose of this Trust Agreement. The Trustees may implement their powers through the adoption of appropriate motions, resolutions, or administrative rules and regulations.

8.2 Specific Powers Discretionary.

The recitation of specific powers in this Trust Agreement shall not be interpreted as compelling the exercise of any such power. The exercise of specific powers is discretionary with the Trustees.

8.3 Benefit Plans Currently Being Provided.

The employee welfare benefit plan (or plans) presently being administered through this Trust Fund is (are) described as follows:

Medical Expense Reimbursement Plan (Ef. June 1, 2008)

The Trustees shall have the authority to amend such benefit plan (or plans), or any plans hereafter adopted, including amendments that expand, restrict, or terminate all or part of the rules relating to eligibility for benefits, or to the amount and nature of such benefits, as they may determine. Amendments may be made on a prospective or retroactive basis.

8.4 Additional Benefit Plans.

The Trustees shall have the authority to create and administer additional medical expense reimbursement plans, but not including traditional health insurance plans, as may be lawful under Section 3(1) of the Employee Retirement Income Security Act of 1974, provided that such plans are supported by employer or employee contributions.

8.5 Design of the Benefit Plans.

The Trustees shall have the authority to determine the details of the benefit plans, including the determination of the rules under which participating employees shall be eligible for benefits and the nature and amount of such benefits. The Trustees shall also have the authority to determine whether benefits shall be extended to beneficiaries of participating employees and, if so, to determine which class or classes of beneficiaries shall be eligible for benefits, the eligibility rules which will apply to such class or classes of beneficiaries, and the nature and amount of such benefits. If there are different contribution rates, the Trustees may establish different eligibility rules, or benefit formulas, for the participating employees and their beneficiaries who are affected thereby.

8.6 Means of Providing Benefits.

The Trustees shall have the authority to provide the benefits, in whole or in part, directly from the Trust Fund, or to contract with an insurance carrier, or other entity, to underwrite the risk of the reimbursement benefits.

8.7 Facility of Payment.

The Trustees shall have the authority to adopt rules by the terms which benefit payments owing to minors or incompetents may be paid instead to a person or institution providing care or other services to such minor or incompetent, even though a legal guardianship does not exist. Benefit payments made under any such rules shall fully discharge the Trust Fund's obligation to the minor or incompetent.

8.8 Self Payments by Employees.

The Trustees shall have the authority to include provisions in the benefit plans by the terms of which participating employees, during periods of active employment, strikes, lockouts, employer delinquencies, leaves of absence, disabilities, layoffs, termination, or retirement may be permitted to make contributions in their own behalf.

8.9 Administrative Agent.

The Trustees shall have the authority to retain, at the expense of the Trust Fund, one or more administrative agents to assist the Trustees in the day-to-day administration of the Trust Fund and the benefit plans. Such assistance may include the receipt and recording of contributions, the processing of delinquent accounts, the preparation of employee eligibility listings, the processing of benefit applications, the payment of benefits, the maintenance of financial records, and the handling of routine communications.

The administrative agent may be a contract administrator or a salaried administrator. In the event the Trustees employ a salaried administrator they shall also have the authority to employ such additional administrative staff personnel as may be necessary.

The Trustees shall periodically review the performance of the administrative agent.

8.10 Banking Services.

The Trustees shall have the authority to retain, at the expense of the Trust Fund, one or more banks or similar financial institutions supervised by the United States or a state, to perform depository or custodial services, or to serve as corporate trustee or co-trustee, on behalf of the Trust Fund.

The Trustees shall periodically review the performance of the banks which they have retained to perform banking services.

8.11 Other Professional and Non-Professional Help.

The Trustees shall have the authority to retain, at the expense of the Trust Fund, one or more accountants, actuaries, attorneys, employee benefit plan consultants, investment managers, payroll auditors, and other professional or non-professional help, as they may deem necessary in the administration of the Trust Fund and the benefit plans. Unless limited by the Employee Retirement Income Security Act of 1974, the retention of any such professional or non-professional help may be on a contract or salaried basis.

The Trustees shall periodically review the performance of their professional and non-professional help.

8.12 Obtaining of Necessary Premises, Equipment and Supplies.

The Trustees shall have the authority to purchase or lease suitable premises and equipment and to purchase materials and supplies, at the expense of the Trust Fund, as they may deem necessary in the administration of the Trust Fund and the benefit plans.

8.13 Insurance.

The Trustees shall have the authority to purchase policies of insurance (liability, property damage, casualty, and errors and omissions) to protect the Trust Fund and to protect themselves and their employees (if any) with respect to their activities on behalf of the Trust Fund as they may deem necessary. The cost of such insurance policies shall be chargeable to the Trust Fund, provided that, if such insurance policies cover persons other than the Trustees or their employees (if any), and if there is an additional premium for coverage for such other persons, the additional premium shall be chargeable to such other persons.

Any policy of errors and omissions insurance which covers the Trustees individually shall contain a recourse clause as required by Section 410(b)(1) of the Employee Retirement Income Security Act of 1974, provided that nothing herein shall prevent a Trustee (or an employer, employer association, or labor organization acting on his behalf) from purchasing for the Trustee a waiver of the recourse clause or a separate policy insuring against such recourse.

8.14 Borrowing Money.

The Trustees shall have the authority to borrow money for the Trust Fund, with or without security, as they may deem necessary in the administration of the Trust Fund and the benefit plans.

8.15 Reserve Funds.

The Trustees shall have the authority to maintain reasonable reserve funds for future contingencies as they may deem necessary in the administration of the Trust Fund and the benefit plans.

8.16 Payment of Taxes.

The Trustees shall have the authority to pay, at the expense of the Trust Fund, all real and personal taxes, and other taxes and assessments of any kind that may be lawfully levied or assessed against the Trust Fund.

8.17 Refunds of Contributions Erroneously Paid.

The Trustees shall have the authority to adopt rules by the terms of which refunds of contributions may be made to a participating employer or employee where the employer or employee has paid such contributions in error, provided that employer refunds shall be made only as permitted by Section 403(c) of the Employee Retirement Income Security Act of 1974.

8.18 Prosecution of Legal Actions or Claims.

The Trustees shall have the authority to originate and maintain any legal actions or claims involving potential legal actions, at the expense of the Trust Fund, as they may deem necessary in the administration of the Trust Fund and the benefit plans. All such actions and claims shall be prosecuted in the name of the Trust Fund or in the name of an assignee.

8.19 Defense of Legal Actions or Claims.

The Trustees shall have the authority to defend all legal actions, claims involving potential legal actions, and investigatory proceedings initiated against the Trust Fund or against one or more of the Trustees, former Trustees, administrative agents, or against one or more of the employees of the Trust Fund (if any) that relate to the administration of the Trust Fund or the benefit plans. Except as stated below, the defense of such actions, claims, and proceedings shall be at the expense of the Trust Fund.

If the final court decree establishes personal liability on the part of specified Trustees, administrative agents, or employees (if any) for breach of their fiduciary responsibilities, as permitted by Section 409(a) of the Employee Retirement Income Security Act of 1974, and orders that the specified persons are to bear the expenses of their own defense, their attorney fees shall not be chargeable to the Trust Fund. If attorney fees and costs have already been charged to the Trust Fund, the specified persons shall be obligated to repay the Trust Fund for the pro-rate share of such fees and costs.

8.20 Compromise of Legal Actions or Claims.

The Trustees shall have the authority to compromise, settle, or release all legal actions or claims involving potential legal actions, in favor of or against the Trust Fund, on such terms and conditions as they may determine.

8.21 Penalties for False or Withheld Information.

The Trustees shall have the authority to adopt rules and regulations by the terms of which reasonable penalties or forfeitures may be imposed upon participating employees or beneficiaries who (a) falsify any information requested of them in the administration of the Trust Fund and the benefit plans; or (b) fail to provide requested information within a reasonable time.

8.22 Correction of Errors.

It is recognized and acknowledged by all parties that the Trustees will provide eligibility credits or benefits to participating employees and their beneficiaries based on Trust Fund records. It is also recognized and acknowledged that such records could be incorrect due to (a) incomplete records; (b) employees or beneficiaries submitting incorrect or false benefit applications; (c) recording or computation errors by the administrative agent; (d) computer errors; or (e) other similar circumstances. The Trustees shall have the authority to correct the Trust Fund records

whenever errors are discovered and to terminate participation, adjust eligibility credits or benefits, or seek the recovery of benefit overpayments, as they may determine.

8.23 Subscription Agreements.

The Trustees shall have the authority to create and distribute subscription agreements, at the expense of the Trust Fund, by the terms of which a participating employer or labor organization acknowledges its obligation to make contributions to the Trust Fund and subscribes to the terms and provisions of this Trust Agreement.

8.24 Participating in Certain Non-profit Organizations.

The Trustees shall have the authority to participate in non-profit foundations, corporations, councils, committees, or other organizations that have as their purpose (a) the alleviation of physical or mental disease, or of other conditions or hazards that require the care or service being paid for through the benefit plans administered by the Trustees; or (b) the improvement in the availability of, and quality of, medical care, or of other care or service being paid for through the benefit plans, or the reduction in the costs of such care or services. If the Trustees act to participate in any such non-profit organization, the membership or participation fees of the organization shall be chargeable to the Trust Fund.

Further, to the extent that such is not prohibited by the Employee Retirement Income Security Act of 1974, the Trustees may make loans, grants, or donations to any such nonprofit organization, in reasonable amounts, out of the uncommitted reserves of the Trust Fund.

8.25 Participation in Non-Profit Educational Organizations.

The Trustees shall have the authority to participate in non-profit foundations, corporations, committees, or other organizations which sponsor educational programs or provide educational materials pertaining to the administration of trust funds of this nature and of employee benefit plans. If the Trustees act to participate in any such non-profit organization, the membership or participation fees of the organization shall be chargeable to the Trust Fund.

The Trustees shall also have the authority to purchase educational materials and to provide for the attendance of the Trustees, or of such of their employees (if any), as they may designate, at educational conferences and meetings. The costs of such materials and attendance shall be chargeable to the Trust Fund.

8.26 Reciprocity.

The Trustees shall have the authority to enter into reciprocal agreements with other Retiree Medical Trust funds providing similar benefits to those provided through the Trust Fund, for the exchange of eligibility credits or monies or for the payment of pro-rata benefits, in order to protect employees who may terminate their participation in the Trust Fund and begin participation in a reciprocal trust fund and vice versa.

8.27 Coordinated Administration.

The Trustees shall have the authority to coordinate the administration of the Trust Fund and of the benefit plans with the administration of related Retiree Medical Trust funds and benefit plans, to such extent as they may determine.

8.28 Mergers.

It is recognized that at some time or times in the future, the Trustees may deem it in the best interest of the Trust Fund and of the participating employers, employer associations, labor organizations, and employees to accept the merger of another employee welfare benefit trust fund into the Trust Fund or to merge the Trust Fund into another employee welfare benefit trust fund.

In the event that another employee welfare benefit trust fund is to be merged into the Trust Fund, the Trustees shall have the authority to negotiate the terms of the merger, enter into an appropriate merger agreement, and carry out the steps necessary to consummate the merger. In the event that the Trust Fund is to be merged into another employee welfare benefit trust fund, the Trustees shall have the authority to negotiate the terms of the merger and enter into an appropriate merger agreement, subject to written approval from the Board of Directors of PORAC. Pursuant to the terms of the merger agreement, the Trustees shall have authority to terminate the Trust Fund subject to Section 13.2 hereof, and to transfer the remaining monies, assets, and liabilities to the other trust fund.”

8.29 Interpretation and Application of Documents.

The Trustees shall have the authority to interpret and apply the provisions of this Trust Agreement, or of the benefit plans, or of their own motions, resolutions, and administrative rules and regulations, or of any contracts, instruments, or writings that they may have adopted or entered into.

SECTION 9. CONTRIBUTIONS AND COLLECTIONS

9.1 Contribution Reporting Forms.

The Trustees may create and make available, at their discretion, contribution reporting forms.

9.2 Contribution Due Date.

The Trustees shall have the authority to fix a due date for all contributions.

9.3 Delinquent Contributions.

A participating employer shall be considered to be delinquent in the payment of contributions if it (a) fails to submit a contribution reporting form, and the contributions detailed therein, by the close of business on the due date; or (b) fails to submit contributions on behalf of

all the employees for whom contributions are required by the underlying collective bargaining agreement or Special Agreement; or (c) fails to compute properly the contributions according to the required contribution formula specified in the underlying collective bargaining agreement or Special Agreement.

The Trustees shall undertake reasonable efforts, at the expense of the Trust Fund, to collect known delinquent contributions and related claims.

9.4 Audit of Employer Books and Records.

The Trustees shall have the authority, at the expense of the Trust Fund, to audit the payroll books and records of a Participating Employer, either directly or through a qualified public accountant, as they may deem necessary in the administration of the Trust Fund. Such payroll audit may be undertaken pursuant to a routine payroll audit program or on an individual basis. If the auditor reports underreporting of more than 10% of the amount due, the Trustees may seek to recover audit costs from the employer.

9.5 Protection of Employees in Cases of Employer Delinquency.

To protect participating employees and beneficiaries in situations where participating employees may be denied eligibility credits or benefits because their employer is delinquent in the payment of contributions, the Trustees shall have the authority to extend eligibility credits to such employees or to direct the payment of benefits to them, or to their beneficiaries, in whole or in part, as they may determine.

9.6 Coordination with Provisions in Collective Bargaining Agreements.

In the event the underlying collective bargaining agreement contains provisions relating to delinquencies that specify additional remedies or obligate the delinquent employer to greater amounts of liquidated damages, interest, or attorney fees than those set forth herein, the Trustees, at their option, may pursue the additional remedies or impose the greater charges.

The Trustees shall not be obligated, however, to pursue the collection of delinquent accounts through the grievance-arbitration procedures (if any) provided for in the underlying collective bargaining agreement.

SECTION 10. CLAIMS AND APPEAL PROCEDURES

10.1 Procedures to be Followed.

The Trustees and the participating employees and their beneficiaries shall have the authority to set claims and appeal procedures in regard to the benefit plans. Such procedures shall be set forth in the plan(s) adopted by the Trustees, or in the related summary plan description.

Such procedures, together with any written hearing procedures adopted by the Trustees, shall be the exclusive procedures available to a participating employee who is dissatisfied with an

eligibility determination or benefit award, or who is otherwise adversely affected by any action of the Trust Office.

10.2 Exhaustion of Administrative Remedies.

A Beneficiary must exhaust the Claims and Appeal Procedures adopted by the Trustees prior to bringing an action in federal court pursuant to ERISA Section 502(a).

SECTION 11. LIMITATIONS

11.1 Liabilities and Debts of Trust Fund.

No signatory party or Trustee and no participating employer, employer association, labor organization, employee, or beneficiary shall be responsible for the liabilities or debts of the Trust Fund.

11.2 Liabilities and Debts of Participating Parties.

No participating employer, employer association, or labor organization shall become responsible by reason of their participation in the Trust Fund for the liabilities or debts of any other participating employer, employer association, or labor organization.

Except for any obligation to make contributions to the Trust pursuant to a Special Agreement or Subscription Agreement, a Participating Employer shall have no obligation to provide benefits to which its employees may be entitled under a collective bargaining agreement to the extent that those benefits are provided under a plan funded through the Trust. A Participating Employer shall not be a fiduciary of the Trust or any employee benefit plan funded through the Trust, and shall have no responsibility or liability for Trust investments or the income tax treatment of Trust earnings or benefits provided under such plan.

11.3 Personal Liabilities of Trustees.

No Trustee shall incur any personal liability in connection with the administration of the Trust Fund or the benefit plans, except for such liability that may be established in accordance with Section 409(a) of the Employee Retirement Income Security Act of 1974.

Except as may be required by applicable provisions of such Act, no Trustee shall be held personally liable for any breach of fiduciary responsibilities in connection with the administration of the Trust Fund or the benefit plans where it is established (a) that the responsibilities at issue were lawfully allocated or delegated to other Trustees or fiduciaries; or (b) that, in carrying out the responsibilities at issue, the Trustee reasonably relied upon the advice given by the administrative agent or by one or more of the advisers retained by the Trustees.

No Trustee shall be personally liable for a breach of fiduciary responsibilities if such breach was committed before he became a Trustee or after he ceased to be a Trustee.

11.4 Judgments Against Trust Fund.

Any money judgment against the Trust Fund shall be enforceable only against the Trust Fund entity and shall not be enforceable against any Trustee or other person, unless liability against the Trustee or other person, in his individual capacity, is established in accordance with Section 409(a) of the Employee Retirement Income Security Act of 1974.

11.5 Participating Parties' Rights.

Except as specifically provided for in this Trust Agreement or in the benefit plans, no participating employer, employer association, labor organization, or employee, nor any beneficiary of a participating employee shall have any right, title, or interest in or to the Trust Fund, or in or to the contributions, or in or to the benefits provided.

No participating employee shall be entitled to receive any part of the contributions in lieu of the benefits provided through a benefit plan, nor shall a participating employee who does not qualify for benefits, or his employer, have any claim to the contributions which may have been paid on his behalf.

11.6 Cessation of Participation.

In the event a participating employer, employer association, or labor organization, or groups thereof should cease participation in the Trust Fund, there shall be no division or allocation of any of the monies or assets of the Trust Fund, except as may be required by law.

11.7 Protection of Trust Fund, Contributions, and Benefits.

No part of the Trust Fund (including the contributions) or the benefits payable under the benefit plans shall be subject in any manner, by a participating employee or beneficiary, to anticipation, alienation, sale, transfer, assignment, encumbrance, or charge, and any such attempt shall be null and void, provided that the Trustees may recognize assignments of benefits from a participating employee or beneficiary to a doctor, hospital, or other person or institution that has treated or cared for, or provided services or goods to, the participating employee or beneficiary.

Further, no part of the Trust Fund (including the contributions) or the benefits payable under the benefit plans shall be liable for the debts of a participating employee or beneficiary, nor be subject in any manner to garnishment, attachment, lien, charge, or any other legal process brought by any person against a participating employee or beneficiary, and any such attempt shall be null and void.

11.8 Reliance Upon Written Documents.

The Trustees may act upon any written letter, report, certificate, instrument, or other document submitted to them by any participating employer, labor organization, employee, or beneficiary, or by any other person, where such document appears to be genuine and to be signed

by the proper person or persons, and the Trustees shall be under no duty to make any investigation or inquiry as to any statement contained in any such document.

11.9 Agents of Trust Fund.

The Trust Fund is an entity separate and apart from the participating employers, employer associations, and labor organizations. Accordingly, unless authorized in a motion or resolution of the Board of Trustees, no participating employer, employer association, or labor organization, nor any individual employed thereby, shall have any authority to act or function for or on behalf of the Trust Fund or as an agent thereof.

Likewise, unless authorized in a motion or resolution of the Board of Trustees no individual Trustee shall have any authority to act or function for or on behalf of the Trust Fund or as an agent thereof.

SECTION 12. MISCELLANEOUS

12.1 Trust Fund Offices.

The Trust Fund shall maintain a principal office and sub-offices, where necessary, in such locations as the Trustees may determine.

12.2 Applicable Laws and Regulations.

This Trust Agreement shall be interpreted, and the Trust Fund shall be administered, in accordance with the Employee Retirement Income Security Act of 1974, the Internal Revenue Code, and the regulations pertinent thereto, and other applicable statutes and regulations, as such statutes and regulations presently exist or as they may hereafter be amended.

References herein to particular sections of the above-mentioned statutes shall include any regulations pertinent to such sections and any subsequent amendments to such sections or regulations.

12.3 Service in More than One Fiduciary Capacity.

Any Trustee or other person who is a fiduciary may serve the Trust Fund in more than one fiduciary capacity.

12.4 Notices.

Any written notice permitted or required by this Trust Agreement shall be personally delivered to the person for whom it is intended or sent to such person at his residence or business address by first class mail or prepaid telegram.

12.5 Severability.

If any provision of this Trust Agreement, or of the benefit plans, is held to be illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining portions of the Trust Agreement or of the benefit plans.

12.6 Titles and Words.

The titles of the various articles and sections of this Trust Agreement are inserted solely for convenience of reference and are not a part of, nor shall they be used to construe, any term or provision hereof. Whenever any words are used herein in the masculine gender, they shall be construed as though they were used in the feminine gender, and words in singular form shall be construed as though they were used in the plural form, in all cases where they would so apply.

SECTION 13. AMENDMENTS AND TERMINATION

13.1 Amendments.

This Trust Agreement may be amended by action of the PORAC's Board of Trustees, after thirty (30) days advance written notice to the Board of Directors, which notice shall be sent to the PORAC President with the proposed Amendment attached to the Notice.

13.2 Termination.

This Trust Agreement may be terminated at any time by action of the PORAC Board of Directors on its own accord after fifteen (15) days' advance written notice to the Trustees; or by action of the Trustees after thirty (30) days' advance written notice to the PORAC. Notice may be waived by the party entitled to notice.

In any event, this Trust Agreement shall be automatically terminated upon the expiration of all Memoranda of Understanding, special agreements, and subscription agreements requiring the payment of contributions to the Trust Fund, and upon completion of the termination process. Provided that for purposes of this provision a Memorandum of Understanding or special agreement shall not be deemed to have expired in a strike or impasse situation, unless said strike or impasse continues for more than twelve (12) months.

As part of the termination process, the Trustees may arrange for retention of an independent Trustee to administer the wasting trust.

13.3 Allocation Upon Termination.

Upon the termination of this Trust Agreement, the Trustees shall wind up the affairs of the Trust Fund. Any and all monies remaining in the Trust Fund, after the payment of expenses, shall be allocated among the participating employees and beneficiaries as specified in Section 501, et seq., of the Internal Revenue Code and related authority.

In no event shall any of the remaining monies or assets be paid to or be recoverable by any participating employer or labor organization.

GOVERNING THE
PORAC RETIREE MEDICAL TRUST**

The Board of Trustees of the PORAC Retiree Medical Trust does hereby amend the Trust Agreement Governing the PORAC Retiree Medical Trust, restated effective January 1, 2022, and as amended thereafter (*Dr. 11/11/21 including Ams. 1-3*) (the “Trust Agreement”). Legal counsel for the Trustees gave notice by email to the Board of Directors of the Peace Officers Research Association of California (“PORAC”) through its President Brian Marvel and legal counsel Robert Bonsall on August 1, 2023. This Amendment No. 4 shall be effective on December 1, 2023.

In order to affirm the right of the Board of Trustees of the PORAC Retiree Medical Trust (the “Trust”) to terminate the participation of any bargaining unit or other group that participates in the Trust, the following changes are made to Section 5:

- a. The last paragraph of Section 5.2 is deleted; and
- b. A new Section 5.5 is added, as follows:

“5.5 Termination of Participation.”

The Trustees have the authority to decline or terminate the participation of any bargaining unit or other group of employees (e.g., Non-Bargaining Unit Employees under Section 5.3) that participate in the Trust Fund as described in Section 5 hereof, if: (a) the labor organization and the employer fail to provide the Trustees with a copy of their collective bargaining agreement; (b) the language of the contribution provisions in the collective bargaining agreement does not meet the requirements established by the Trustees (if any); (c) the labor organization fails to submit a subscription agreement binding it to this Trust Agreement, if required; (d) the negotiated contribution rate is lesser, or greater, than the contribution rate supporting a particular benefit plan then being administered by the Trustees, provided that the Trustees, in their discretion, may accept the different contribution rate and establish different eligibility rules or benefit formulas for the employees affected; (e) the Participating Employer fails to provide the Trustees with census data and/or contribution reports that meet the requirements established by the Trustees; or (f) there exist other facts and circumstances that, in the Trustees’ discretion, justify a declination or termination of participation.”

Approved by the Board of Trustees on January 22, 2024, and effective as stated above.
