CalPERS 115 **Trust Fund** \$2 Million

Supports contribution to CalPERS and ensures the City is able to make its required unfunded

liability payments

Risk Management Reserve \$1 Million

Helps protect the City from variety of risks

Local Revenue Measure: \$30.2 Million (FY 2023-24)

The Local Revenue Measure - also known as Measure G20 - is a oneand-a-half percent local sales tax. It protects and maintains essential services and facilities, such as open space preservation, bike lanes and sidewalks, public safety, neighborhood street paving and code enforcement, flood protection, senior programs, and other vital services and capital improvement projects.

CITY OF SAN LUIS OBISPO BUDGET IN BRIEF

2023-2025 FINANCIAL PLAN

Economic Resiliency, Cultural Vitality and Fiscal Sustainability

In collaboration with local partners, implement initiatives that reinforce a thriving and sustainable Local economy, support a diverse, inclusive, and vibrant community, preserve arts and culture, and ensure fiscal responsibility and sustainable operations

GOAL

CITY

MAJOR

Diversity, Equity, Inclusion (DEI)

Further our commitment to making San Luis Obispo a welcoming and inclusive city for all by continuing to incorporate diversity, equity, and inclusion into all programs and policies.

About the Budget

The City of San Luis Obispo follows a nationally recognized two-year Financial Plan process. The Financial Plan links goals and objectives with resources needed to accomplish them. Council approval is required for each year of the budget cycle in order to appropriate the funding

Housing and Homelessness

Support the expansion of housing options for all, and continue to facilitate the production of housing, including the necessary supporting infrastructure, with an emphasis on affordable and workforce housing as well as accessibly connected development. Collaborate with local non-profit partners, non-governmental agencies, the county, the state, and federal governments to advocate for increased funding and implementation of comprehensive and effective strategies to prevent and reduce homelessness.

Climate Action, Open Space, and Sustainable Transportation

Proactively address the climate crisis and increase resiliency through the implementation of the Climate Action Plan. Use resources to reduce greenhouse gas emissions and reach carbon neutrality by 2035, with a focus on the preservation and enhancement of convenient and equitable alternative and sustainable transportation, the preservation of open space, and equitable access to parks and open space.

Budget Process

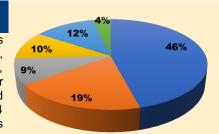

Community Outreach

Council Goal Setting

Budget Development **Proposed Budget**

General Fund Revenue

Like most municipalities in California, various tax revenues provide the largest source of revenue for the General Fund, financing most general government services. User fees, grants, and miscellaneous revenue make up the remainder of the revenue budget. The total General Fund projected revenues are approximately \$116 million in FY 2023-24 and \$119 million in FY 2024-25. The FY 2023-24 budget is displayed at the right.

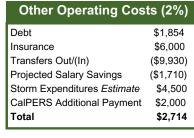

Adopted Budget

Sales & Use Tax, \$53.3 M Property Tax, \$22.0 M ■ Transient Occupancy Tax (TOT), \$10.7 M Other Tax & Franchise Revenue, \$11.9 M

Fees and Other Revenue, \$14.0 M Storm Reimbursement (Estimate), \$4.2 M

General Fund Expenditures

Where do your tax dollars and fee payments go? The City of San Luis Obispo is a full service City and the General Fund budget goes towards providing essential services to the public. The total General Fund budgeted expenditures are approximately \$121 million in FY 2023-24 and \$117 million in FY 2024-25. The FY 2023-24 budget is displayed below (in thousands). The total expenditure budget exceeds the revenue budget because some one-time expenditures are paid for using the prior year's fund balance.

Parks & Recreation

Solid Waste Division

Public Works

CSG Admin

Total

Capital Projects (25%) **Internal Services (15%)** \$29.728 Administration/IT \$10,850 City Attornev \$1.425 Finance & Non-Departmental \$3,880 **Human Resources** \$2,141 15% Total \$18,297 25% Public Safety (31%) \$15,274 Fire \$120,817 Police* \$22,086 31% Total \$37,360 27%

*The City's Police Department provides more than traditional public safety services associated with sworn patrol officers. It also provides homelessness services, downtown services, a school resource officer, and pro-active outreach efforts. In fact, over 25% of the department's staffing costs are for civilian (or non-sworn) staff.

2023-25 Capital Improvement Plan (CIP)

The CIP and its annual implementation of projects is one of the primary functions of local government.

The CIP enables the City to plan, schedule, and finance capital projects to ensure cost effectiveness and conformance with established plans and policies. Through its adopted CIP, the City meets community needs by providing the infrastructure required for economic vitality, neighborhood wellness, housing, transportation, sustainability, active and passive recreation, public safety, cleanliness, and other basic amenities.

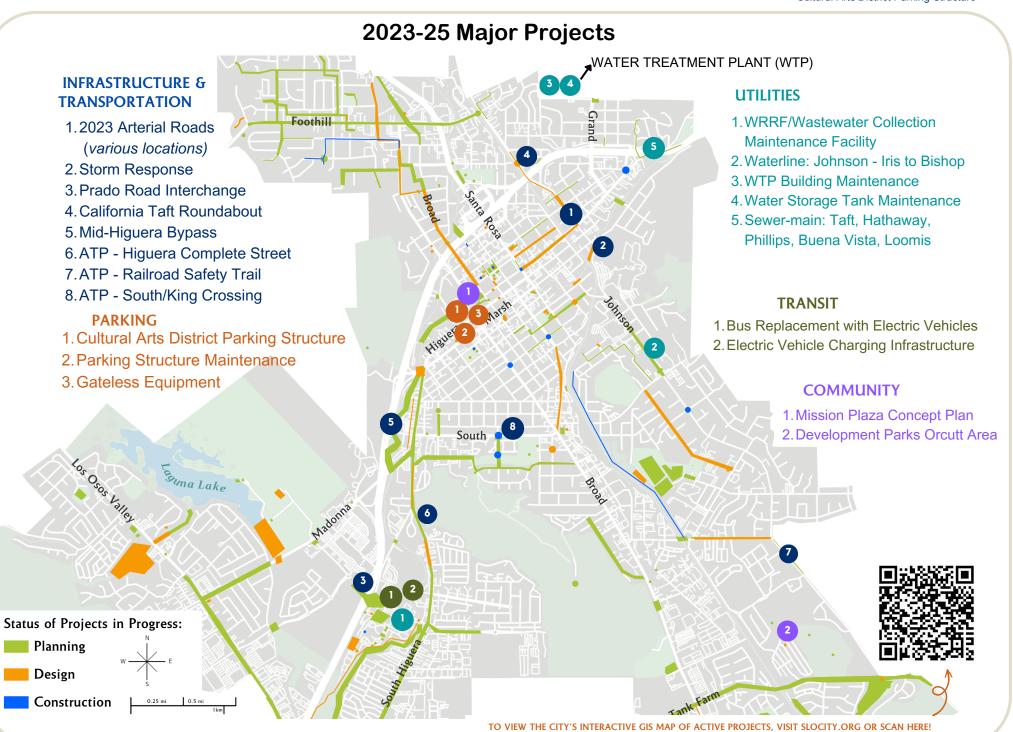

The map below highlights major upcoming projects and includes the status of projects currently in progress (as of June 2023).

Total CIP Budget (All funding sources combined)

> FY 2023-24: \$116 Million*

FY 2024-25: \$67 Million

*Higher than FY 2024-25 due to construction of Cultural Arts District Parking Structure

Enterprise Funds

Enterprise Funds, often referred to as "Business Activities" are distinguished from governmental funds by their similarity to private sector enterprises and are financed solely through user charges. The City's four largest enterprise funds and their operating budgets are:

WATER FUND

Expenditures

Revenue

2023-24: \$32.0 Million

2023-24: \$28.2 Million

2024-25: \$31.6 Million 2024-25: \$28.6 Million

2023-24: \$11.8 Million

2024-25: \$11.9 Million

Storm Recovery

The City experienced multiple storms during the first few months of the 2023 calendar year and while initial damage assessments have been done, the number and scope of the repairs continues to evolve as staff is able to access impacted areas to fully assess the extent of the damage. The overarching strategy for the 2023-25 Financial Plan is to prioritize storm recovery and prepare for future storm events. Several emergency repair projects are already underway and some will begin in FY 2023-24 or FY 2024-25.
