Hi Josh,

That's not a problem. We've been extending for Council meetings across the state.

Your new deadline is Dec. 20.

John

Hi John,

We received our award letter last Thursday, which states that we must complete all forms within 30 days of receipt. Our current City Council schedule has us bringing this award to our Council for approval on December 10<sup>th</sup>, which is the first available Council Meeting to which we can bring this item. I had emailed [federalaccount@cpuc.ca.gov](mailto:federalaccount@cpuc.ca.gov) per below to see if we can get an extension to December 20<sup>th</sup> to accommodate our Council meeting schedule, but I hadn't heard back yet. Is there someone else I should reach out to on this question?

Thanks!
