SECTION 2. Purpose.

This Agreement is entered into for the purposes of providing for the joint exercise of certain powers common to the Members and for the exercise of such additional powers as are conferred by law in order to achieve our waste diversion goals. The Members are each empowered by the laws of the State of California to exercise the powers specified in this Agreement and to comply with the provisions of the Act and other laws. These common powers shall be exercised for the benefit of any one or more of the Members or otherwise in the manner set forth in this Agreement.

The members enter the agreement with the intent to operate the Authority in compliance with the requirements of the Act, with a minimum level of staff, addressing those operations and programs that can be most cost-effectively handled at the regional level by maximizing local resources, private sector participation, and contract services provision. The duties and responsibilities of each city and the County are described in the applicable adopted plans. The Authority is formed with the purpose and intent of

facilitating the development of programs and projects that provide economies of scale without interfering with individual agencies' exercise of power within their own jurisdiction.

SECTION 3. Creation of Authority.

3.1 The Members hereby create and establish an authority and public entity to be known as the "San Luis Obispo County Integrated Waste Management Authority," (hereinafter referred to as Authority) it being understood that the Board shall be entitled to change the Authority's name from time to time if it so chooses. The Authority shall be a public entity separate from each of the Members.

3.2 The Authority shall constitute a regional agency pursuant to Public Resources Code Section 40973. Said regional agency, and not the CITIES and COUNTY which are members of the regional agency, shall be responsible for compliance with the waste diversion requirements set forth in the Public Resources Code, Article 1 of Chapter 6 (commencing with Section 41780). In the event that the regional agency fails to comply with said waste diversion requirements, it is expressly understood and agreed that Section 12 of this Agreement shall provide for indemnification for the benefit of the regional agency and its members as specifically set forth therein.

3.3 The assets, rights, debts, liabilities and obligations of the Authority shall not constitute assets, rights, debts, liabilities or obligations of any of the Members. However, nothing in this Agreement shall prevent any Member from separately contracting for, or assuming responsibility for, specific debts, liabilities or obligations of

the Authority, provided that both the Board and that Member approve such contract or assumption.

SECTION 4. Term.

The Authority shall become effective as of the date of this Agreement. It shall continue until dissolved in accordance with Section 13 of this Agreement. However, in no event shall the Authority be dissolved if its dissolution would conflict with or violate the terms or conditions of any Revenue Bonds or related documentation including, without limitation, indentures, resolutions and letter of credit agreements.

SECTION 5. Powers.

5.1 The Authority is empowered to acquire, construct, finance, refinance, operate, regulate and maintain a Solid Waste Landfill, transfer station, a MRF, composting, HHW, or Joint Facilities and Sole Use Facilities subject, however, to the conditions and restrictions contained in this Agreement. The Authority shall also have the power to plan, study and recommend proper solid waste management consistent with the Act and, to the extent permitted by the Act and this Agreement, implement the programs specified in the state approved and locally adopted SRREs, the HHWE, the NDFE, and the Countywide or Regional Siting Element for all or any portion of the area included within the Authority's boundary. Notwithstanding any other provisions of this agreement, the Authority shall not acquire, regulate, set fees for, or operate any solid

waste landfills, recycling, or composting facilities owned or operated by member jurisdictions without the express written consent of such member(s).

5.2 To the full extent permitted by applicable law, the Authority is authorized, in its own name, to do all acts necessary or convenient for the exercise of such powers that each Member could exercise separately including, without limitation, any and all of the following:

- (a) to make and enter into contracts, including contracts with any Member;
- (b) to apply for and accept grants, advances and contributions;
- (c) to contract for the services of engineers, attorneys, accountants, planners, consultants, fiscal agents and other persons and entities;

5.3 Such powers shall be exercised subject only to the limitations set forth in this Agreement, applicable law and such restrictions upon the manner of exercising such powers as are imposed by law upon the Members in the exercise of

similar powers. In no event shall the Authority be authorized to exercise any power not expressly authorized. The Authority hereby designates San Luis Obispo County as the Member required to be designated by Section 6509 of the California Government Code.

5.4 If and to the extent the Authority exercises a power granted to it under this Agreement and the exercise of a like power by one or more Members within its or their boundaries would be inconsistent with or likely to interfere with the exercise of that power by the Authority, that Member or those Members shall not exercise that power; provided, however, that nothing in this Agreement shall limit a Member's right or that of any commission, agency or other body or authority of any Member to adopt, amend or implement zoning, building, land use or safety ordinances, laws or regulations with respect to real estate located within its boundaries upon which a facility identified in Paragraph 5.1 and paragraph 5.2 (j) is or will be located.

SECTION 6. Boundaries.

The boundaries of the Authority shall be the boundaries of San Luis Obispo County. In the event a member withdraws from the Authority, the boundaries shall be modified to exclude the area of the withdrawing member. - (c) Standing Committees shall include an Executive Committee and a Solid Waste Technical Advisory Committee. The composition and bylaws of the standing committees shall be established by the Board by resolution.

SECTION 8. Meetings of the Board.

8.1 Regular Meetings. The Board shall hold at least four regular meetings each year. The date upon which, and the hour and place at which, each regular meeting shall be held shall be fixed by resolution of the Board.

8.2 Special Meetings. Special meetings of the Board may be called in accordance with the provisions of Section 54956 of the California Government Code.

8.5 Quorum and voting. For purposes of conducting business, there shall be present a quorum consisting of a majority of representatives, including one COUNTY representative. Each representative shall have one vote. No action shall be effective without the affirmative votes of a majority of those present. However, eight (8) affirmative votes shall be required for taking any action in the event any Member demands such a vote. The representatives to the Authority shall adopt such procedures as are consistent with this Agreement and necessary to conduct the business of the Authority in an orderly manner.

8.6 Budget. The Cities and the County have entered into a *Memorandum of Agreement among the County of San Luis Obispo and the Cities of Arroyo Grande, Atascadero, El Paso de Robles, Grover Beach, Morro Bay, Pismo Beach, and San Luis Obispo for the Establishment and Payment of Landfill Tipping Fee Surcharges To Support The San Luis Obispo Integrated Waste Management Authority* (the "MOA"). Pursuant to the MOA, those members of the Authority having jurisdiction over such matters have agreed to establish tipping fee surcharges (the "Tipping Fee Surcharges") which shall be paid into a Solid Waste Authority-Trust Fund (as defined in the MOA) for the purposes therein.

- (a) A line item and program budget for the Authority's operations shall be adopted by the Board for the ensuing Fiscal Year prior to June 30 of each year. All costs incurred by the Authority shall be set forth in the budget, and shall be paid out of the solid waste fund derived from tipping fee surcharges and other sources as approved by the Authority.

The line item and program budget shall be submitted in draft form to all member agencies for review and comment prior to adoption.

The line item and program budget shall include sufficient detail to constitute an operating guideline, the anticipated sources of funds, and the anticipated expenditures to be made for the operations of the Authority and the administration, maintenance and operating costs of the facilities identified in Paragraph 5.1 herein. Any budget for Sole Use Facilities shall be maintained separately. Approval of the line item and program budget by the Board shall constitute authority for the Manager to expend funds for the purposes outlined in the approved budget, but subject to the availability of funds.

- (b) A budget for the acquisition, construction, or operation of facilities, or for contracting for the acquisition, construction, or operation of facilities, identified in Paragraph 5.1 herein shall be adopted by the Board before the Authority commits any acquisition or construction funds or contracts. It may be amended if and when determined by the Board. Approval of the budgets for the facilities identified in Paragraph 5.1 herein shall constitute authority for the Manager (or any trustee or other fiduciary appointed by the Authority) to receive state or

- (c) A budget(s) governing the acquisition, construction, or operation of Sole Use Facilities may be adopted by the affected Member or Members. SECTION 12. Failure to Meet Waste Stream Requirements.

The Authority shall be entitled to cause the waste streams of each Member to be monitored, pursuant to procedures approved by the Board, in order to determine whether state waste diversion requirements are being met. If the waste stream diversion of any Member fails to meet any such requirements, that Member shall be solely responsible for any and all resulting liabilities, damages, criminal and civil sanctions, and costs and expenses. That Member shall also hold the Authority and the other Members harmless from and against any and all liabilities, damages, sanctions, costs and expenses that are incurred as a result of the violation or a claimed violation including, without limitation, all fees and costs of counsel. If two or more Members are responsible for a failure to meet any such requirements or are claimed to have violated any such requirements, the Members responsible for the violations or which are the subject of such claims shall be responsible to, and shall indemnify, the Authority and the other Members in proportion to their relative responsibility for the violations or claimed violations. Upon notification of any such violation or claim, the Member or Members shall take such prompt, corrective

action as is necessary to meet the requirements. Nothing in this Section shall preclude one or more Members or the Authority from imposing or establishing additional incentives to meet waste diversion requirements.

13.2 Any party to this Agreement may withdraw from the Authority, with 30 days notice, and terminate its participation in this Agreement by resolution of its governing body. The withdrawal of the member shall have no effect on the continuance of this Agreement among the remaining members and the Agreement shall remain in full force and effect with respect to the remaining members. No withdrawal shall become effective until 30 days after receipt of the written notice by the Authority.

13.3 A member which has withdrawn from the Authority shall not be liable for the payment of further contributions falling due beyond the date of withdrawal and shall have no right to reimbursement of any monies previously paid to Authority. The Authority may authorize a reimbursement if in its judgment such reimbursement is fair and equitable and can be done without jeopardy to the operation of the Authority. If any party

hereto fails to pay its contribution, as determined by the Authority, said entity shall be deemed to have voluntarily withdrawn from the Authority.

13.4 The Authority may be dissolved at any time and this Agreement terminated by a joint agreement executed by COUNTY and CITIES which are parties hereto. Said termination Agreement shall provide for the orderly payment of all outstanding debts and obligations and for the return of any surplus funds of Authority in proportion to the contributions made. In the event the Authority is abolished, the individual member agencies shall be responsible for complying with the requirements of the Act as included in the approved SRREs, HHWE, NDFE, Countywide or Regional Siting Element and Integrated Waste Management Plan.

SECTION 14. Amendments Including Termination.

This Agreement may only be amended or terminated by a written instrument executed by all Members and meeting the requirements imposed by the terms or conditions of all Revenue Bonds and related documentation including, without limitation, indentures, resolutions and letter of credit agreements. Notwithstanding the foregoing, no amendment or termination shall require any Member to contribute any funds to the Authority or become directly or contingently liable for any debts, liabilities or obligations of the Authority without the consent of that Member evidenced in a written instrument signed by a duly authorized representative of that Member.

SECTION 15. Filing with the Secretary of State.

The Secretary shall file all required notices with the Secretary of State in accordance with California Government Code Sections 6503.5 and 53051.

Service of notice pursuant to this Section shall be deemed complete on the day of service by personal delivery (but 24 hours after such delivery in the case of notices of special meetings of the Board) or two day after mailing if deposited in the United States mail.

SECTION 17. Successors and Assigns.

This Agreement shall be binding upon and shall inure to the benefit of the permitted successors and assigns of the Members. However, no Member shall assign any of its rights under this Agreement except to a duly formed public entity organized and existing under the laws of the State of California approved by a majority of the Voting Directors who do not represent the assigning Member. No assignment shall be effective unless and until the Authority, the Members and the proposed assignee comply with all then-applicable requirements of law relating to changes in the composition of entities such as

the Authority if and when they have Revenue Bonds outstanding and with the terms and conditions of all Revenue Bonds and related documentation including, without limitation, indentures, resolutions and letter of credit agreements.

SECTION 18. Severability.

Should any part, term or provision of this Agreement be decided by a final judgment of a court or arbitrator to be illegal or in conflict with any law of the State of California or otherwise be unenforceable or ineffectual, the validity of its remaining parts, terms and provisions shall not be affected.

SECTION 19. Section Headings.

All section headings contained in this Agreement are for convenience and reference. They are not intended to define or limit the scope of any provision of this Agreement.
