In the event the City Indemnitees are made a party to any action, lawsuit, or other adversarial proceeding arising from Consultant's performance of this Agreement, the Consultant shall provide a defense to the City Indemnitees or at the City's option, reimburse the City Indemnitees their costs of defense, including reasonable legal fees, incurred in defense of such claims.

(b) **Non-design, construction Professional Services:** To the extent the Scope of Services involve a "construction contract" as that phrase is used in Civil Code Section 2783, this paragraph shall apply in place of paragraph A. To the fullest extent permitted by law (including, but not limited to California Civil Code Sections 2782 and 2782.8), Consultant shall indemnify, defend, and hold harmless the City, and its elected officials, officers, employees, volunteers, and agents ("City Indemnitees"), from and against any and all causes of action, claims, liabilities, obligations, judgments, or damages, including reasonable legal counsels' fees and costs of litigation ("claims"), arising out of the Consultant's performance or Consultant's failure to perform its obligations under this Agreement or out of the operations conducted by Consultant, except for such loss or damage arising from the active negligence, sole negligence or willful misconduct of the City. (c) **Design Professional Services:** In the event Consultant is a "design professional", and the Scope of Services require Consultant to provide "design professional services" as those phrases are used in Civil Code Section 2782.8, this paragraph shall apply in place of paragraphs A or B. To the fullest extent permitted by law (including, but not limited to California Civil Code Sections 2782 and 2782.8) Consultant shall indemnify, defend and hold harmless the City and its elected officials, officers, employees, volunteers and agents ("City Indemnitees"), from and against all claims, damages, injuries, losses, and expenses including costs, attorney fees, expert Consultant and expert witness fees arising out of, pertaining to or relating to, the negligence, recklessness or willful misconduct of Consultant, except to the extent caused by the sole negligence, active negligence or willful misconduct of the City. Negligence, recklessness or willful misconduct of any subcontractor employed by Consultant shall be conclusively deemed to be the negligence, recklessness or willful misconduct of Consultant unless adequately corrected by Consultant. In the event the City Indemnitees are made a party to any action, lawsuit, or other adversarial proceeding arising from Consultant's performance of this Agreement, the Consultant shall provide a defense to the City Indemnitees or at the City's option, reimburse the City Indemnitees their costs of defense, including reasonable legal fees, incurred in defense of such claims. In no event shall the cost to defend charged to Consultant

under this paragraph exceed Consultant's proportionate percentage of fault. However, notwithstanding the previous sentence, in the event one or more defendants is unable to pay its share of defense costs due to bankruptcy or dissolution of the business, Consultant shall meet and confer with other parties regarding unpaid defense costs.

(d) The review, acceptance or approval of the Consultant's work or work product by any indemnified party shall not affect, relieve or reduce the Consultant's indemnification or defense obligations. This Section survives completion of the services or the termination of this contract. The provisions of this Section are not limited by and do not affect the provisions of this contract relating to insurance.

18. **Contract Assignment.** The Contractor shall not assign, transfer, convey or otherwise dispose of the contract, or its right, title or interest, or its power to execute such a contract to any individual or business entity of any kind without the previous written consent of the City.

19. **Termination for Convenience.** The City may terminate all or part of this Agreement for any or no reason at any time by giving 30 days written notice to Contractor. Should the City terminate this Agreement for convenience, the City shall be liable as follows: (a) for standard or off-the-shelf products, a reasonable restocking charge not to exceed ten (10) percent of the total purchase price; (b) for custom products, the less of a reasonable price for the raw materials, components work in progress and any finished units on hand or the price per unit reflected on this Agreement. For termination of any services pursuant to this Agreement, the City's liability will be the lesser of a reasonable price for the services rendered prior to termination, or the price for the services reflected on this Agreement. Upon termination notice from the City, Contractor must, unless otherwise directed, cease work and follow the City's directions as to work in progress and finished goods.

20. **Termination.** If, during the term of the contract, the City determines that the Contractor is not faithfully abiding by any term or condition contained herein, the City may notify the Contractor in writing of such defect or failure to perform. This notice must give the Contractor a 10 (ten) calendar day notice of time thereafter in which to perform said work or cure the deficiency.

If the Contractor has not performed the work or cured the deficiency within the ten days specified in the notice, such shall constitute a breach of the contract and the City may terminate the contract immediately by written notice to the Contractor to said effect. Thereafter, neither party shall have any further duties, obligations, responsibilities, or rights under the contract except, however, any and all obligations of the Contractor's surety shall remain in full force and effect, and shall not be extinguished, reduced, or in any manner waived by the terminations thereof.

In said event, the Contractor shall be entitled to the reasonable value of its services performed from the beginning date in which the breach occurs up to the day it received the City's Notice of Termination, minus any offset from such payment representing the City's damages from such breach. "Reasonable value" includes fees or charges for goods or services as of the last milestone or task satisfactorily delivered or completed by the Contractor as may be set forth in

the Agreement payment schedule; compensation for any other work, services or goods performed or provided by the Contractor shall be based solely on the City's assessment of the value of the work-in-progress in completing the overall work scope.

The City reserves the right to delay any such payment until completion or confirmed abandonment of the project, as may be determined in the City's sole discretion, so as to permit a full and complete accounting of costs. In no event, however, shall the Contractor be entitled to receive in excess of the compensation quoted in its proposal.
