

ORDINANCE NO. 1744 (2025 SERIES)

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SAN LUIS OBISPO, CALIFORNIA, RESTATING ITS EXISTING FRANCHISE AGREEMENTS WITH SAN LUIS GARBAGE COMPANY INTO ONE DISCARDED MATERIALS AGREEMENT

WHEREAS, the City of San Luis Obispo ("City") adopted Ordinance No. 1551 on August 20, 2010, granting franchise agreements to San Luis Garbage Company for a term of 15 years for the collection and disposal of solid waste, recycling, and organics within the City; and

WHEREAS, public health and safety demand the orderly and periodic collection and safe disposal and/or processing of solid waste, recyclables, and organics; and

WHEREAS, it has been determined that an exclusive franchise granted to a private company is the most effective and efficient way to collect and remove solid waste, recyclables, and organics within the City; and

WHEREAS, the City adopted Ordinance No. 1624 on October 20, 2015, amending the green waste franchise agreement to incorporate food waste and approve the extension to the term of the agreement until December 18, 2038 – to establish funding for the development and operation of the Kompogas SLO Anaerobic Digestion Facility – formerly Hitochi Zosen Inova – which processes the City's curbside food and yard waste and turns it into organic compost; and

WHEREAS, Senate Bill 1383, Chapter 395, Statutes of 2016 (SB 1383) establishes methane emissions reduction targets in a statewide effort to reduce emissions of short-lived climate pollutants by reducing disposal of organic waste in landfills and is California's most comprehensive change to solid waste regulations in over thirty years; and

WHEREAS, the City adopted Ordinance No. 1711 on May 3, 2022, amending the franchise agreements to implement organic waste diversion programs to meet the goals of SB 1383 and allows a jurisdiction to designate a public or private entity to fulfill, in whole or in part, its responsibilities under SB 1383 through contracts with its waste haulers; and

WHEREAS, the solid waste and recycling agreements expire on August 25, 2025; and

WHEREAS, to maintain continuity, the material terms and conditions for the solid waste and recycling franchise agreements are being proposed to be merged with organics into a restated Discarded Materials Agreement with a combined expiration date of December 18, 2038, set forth below in compliance with Section 1002 of the City Charter of the City of San Luis Obispo; and

WHEREAS, the Legislature of the State of California, by enactment of the California Integrated Waste Management Act of 1989 (AB 939), set forth in Public Resources Code Sections 40000 et seq., declares that it is within the public interest to authorize and require local agencies to make adequate provision for solid waste handling within their jurisdiction, including but not limited to, the discretion to perform or forego a competitive bidding process; and

WHEREAS, San Luis Garbage Company has provided high level of service and reasonable rates for solid waste, recyclables, and organics collection and disposal in the City and the City has determined to reserve the right under Public Resources Code Sections 40059 to not perform a competitive bidding process for solid waste, recyclables, or organics collection and disposal; and

WHEREAS, the rate setting methodology included as Exhibit A in the Discarded Materials Agreement was approved by Resolution of the City Council on March 18, 2025 and is effective as of that date, notwithstanding the effective date of this ordinance; and

WHEREAS, in compliance with Title X of the City's Charter, the City Council adopted Resolution No. 11539 (2025 Series) declaring its intent to restate the existing franchise agreements, published the resolution within fifteen (15) days of its passage in a newspaper in the City of San Luis Obispo, and held a Public Hearing on March 18, 2025.

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of San Luis Obispo as follows:

SECTION 1. The City Council of the City of San Luis Obispo hereby grants to San Luis Garbage Company the exclusive right, privilege, and franchise for continued service to collect, process, and dispose of solid waste, recyclable, and organic materials subject to the terms and conditions presented in Exhibit A – Discarded Materials Agreement. The City Manager is authorized to execute the Agreement and any other documents necessary or convenient for its implementation.

SECTION 2. Ordinance No. 1711 (2022 Series) is hereby repealed and superseded upon the effective date of this ordinance.

SECTION 3. Environmental review. This ordinance is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Sections 15308 (Actions by Regulatory Agencies for Protection of the Environment) and 15061(b)(3) (common sense exemption). The collection and disposal of solid waste is an essential service for public health, safety, and welfare. The Agreement with San Luis Garbage Company includes mandates for compliance with state law for the disposal of multiple waste streams in a manner that ensures the protection of the environment. In addition to the protection of the environment, it can be seen with certainty that there is no possibility that the restatement of the franchise agreement will have a significant effect on the environment; therefore, the actions would meet the standard for the "common sense exemption."

SECTION 4. The summary of this ordinance, together with the names of the Council members voting for and against, shall be published at least five (5) days prior to its final passage, in The New Times, a newspaper published and circulated in this City. This ordinance shall go into effect at the expiration of thirty (30) days after its final passage.

Franchisee's corrective action plan must specify all actions Franchisee will take to ensure it will meet Diversion Compliance Rates in the future and shall be subject to the review and approval by the City. Franchisee must implement all measures identified in the corrective action plan at its sole cost and expense, unless the failure to meet Diversion Compliance was due to a Change in Law or due to the negligent acts or omissions of the City. - B. For any claims related to this project, Franchisee's insurance coverage shall be primary insurance as respects City, Council members, its officers, officials, employees, agents, and volunteers. Any insurance or self-insurance maintained by City, Council members, its officers, officials, employees, agents, or volunteers shall be excess of Franchisee's insurance and shall not contribute with it.
- C. Any failure to comply with reporting or other provisions of the policies, including breaches of warranties, shall not affect coverage provided to City, Council members, its officers, officials, employees, agents, or volunteers.
- D. Franchisee's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.
- E. Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, canceled by either Party, reduced in coverage or in limits except after thirty (30) days' prior written notice by certified mail, return receipt required, has been given to City.
- F. The Automobile Liability Policy shall be endorsed to delete the Pollution exclusion and add the Motor Carrier Act endorsement (MCS-90), TL.1005, TL 1007 and/or other endorsements required by Federal or State authorities.
- G. Pollution, if on a Claims Made form:
 - 1. The "Retro Date" must be shown and must be before the date of the contract or the beginning contract work.
 - 2. Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.
 - 3. If coverage is canceled or non-renewed, and not replaced with another claims made policy form with a "Retro Date" prior to the contract Effective Date, the Franchisee must purchase "extended reporting" coverage for minimum of two years after completion of contract.

10.2.4 Acceptability of Insurers.

Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII. Insurers selected by Franchisee shall be admitted to issue insurance in the State of California.

10.2.5 Verification of Coverage.

Franchisee shall furnish City with certificates of insurance and with original endorsements affecting coverage required herein, which may be requested by City at any time. The certificates and endorsements for each insurance policy are to be signed by a Person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms provided by or acceptable to City and are to be received and approved by City before performance under this Agreement commences.

10.2.6 Subcontractors.

Franchisee shall include all Subcontractors as insurers under its policies or shall furnish separate certificates and endorsements for each Subcontractor. All coverages for Subcontractors shall be subject to all of the requirements stated herein.

10.2.7 Occurrence Based Coverage.

All policies secured by Franchisee shall be occurrence and not claims based unless City so Consents in writing.

10.3 Performance Bond

Simultaneously with the execution of this Agreement, Franchisee shall file with City a bond, payable to City, securing Franchisee's faithful performance of its obligations under this Agreement. The principal sum of the bond shall be One and a Half Million Dollars (\$1,500,000).

**ARTICLE 11.
CITY'S RIGHT TO PERFORM SERVICE**

11.1 General

Subject to the other provisions of this Agreement, including without limitation Sections 12.1 and 12.5, in the event that Franchisee, for any reason whatsoever, fails, refuses or is unable to Collect, Transport, Process, or market any or all Discarded Materials which it is required by this Agreement to Collect, Process, and market, at the time and in the manner provided in this Agreement, for a period of more than seven (7) days, and if, as a result thereof, Discarded Materials should accumulate in the City to such an extent, in such a manner, or for such a time that the City Manager should find that such accumulation endangers or menaces the public health, safety, or welfare, then City shall have the right, but not the obligation, upon twenty-four (24) hour prior written notice to Franchisee during the period of such emergency as determined by the City Manager, (1) to perform, or cause to be performed, such services itself with its own or other personnel without liability to Franchisee; and/or (2) to take possession of any or all of Franchisee's land, equipment, and other property to Collect, Transport, Process, and/or market any Discarded Materials generated within the City which Franchisee would otherwise be obligated to Collect, Transport, Process, or market pursuant to this Agreement. In the event that the City takes possession of the Franchisee's equipment and other property, the City shall be entitled to have another contractor operate such equipment and property under City direction. Additionally, in the event the City takes possession of the Franchisee's equipment and other property, the City does not guarantee repair of existing problems with equipment and facilities.

Notice of Franchisee's failure, refusal, or neglect to Collect, Transport, Process, or market Discarded Materials may be given orally by telephone to Franchisee at its principal office and shall be effective immediately. Written confirmation of such oral notification shall be sent to Franchisee within twenty-four (24) hours of the oral notification.

Franchisee further agrees that in such event:

- A. It will take direction from City to affect the transfer of possession of property to City for City's use.
- B. It will, if City so requests, keep in good repair and condition all of such property, provide all motor vehicles with fuel, oil, and other service, and provide such other service as may be necessary to maintain said property in operational condition.

City may immediately engage all or any personnel necessary or useful for the Collection, Transportation, Processing, and/or marketing of Discarded Materials, including, if City so desires, employees previously or then employed by Franchisee. Franchisee further agrees, if City so requests, to furnish City the services of any or all management or office personnel employed by Franchisee whose services are necessary or useful for operations associated with Collection, Transportation, Diversion, Processing, marketing, and Disposal of Discarded Materials, and for the billing and collection of fees for these services.

City agrees that it assumes complete responsibility for the proper and normal use of such equipment and facilities while in its possession.

If the interruption or discontinuance in service is caused by any of the reasons listed in Section 12.5 (Excuse From Performance), City shall pay to Franchisee the reasonable rental value of the equipment and facilities, possession of which is taken by City, for the period of City's possession, if any, which extends beyond the period of time for which Franchisee has rendered bills in advance of service.

Except as otherwise expressly provided in the previous paragraph, City's exercise of its rights under this Article 11 (1) does not constitute a taking of private property for which compensation must be paid; (2) will not create any liability on the part of City to Franchisee; and (3) does not exempt Franchisee from the indemnity provisions of Article 10, Indemnity, Insurance, and Performance Bond, which are meant to extend to circumstances arising under this Section, provided that Franchisee is not required to indemnify City against claims and damages arising from the acts or omissions of City officers, employees and agents in the operation or use of Franchisee's land, property, equipment, or other assets during the time City has taken possession of such items.

11.2 Temporary Possession of Franchisee's Property

If the City suffers an interruption or discontinuance of service as described in Section 11.1 (including interruptions and discontinuance due to events described in Section 12.5, Excuse from Performance), City may take possession of and use all of Franchisee's property described above until other suitable arrangements can be made for the provision of Collection of Discarded Materials, which may include the grant of a Contract to another company. The same notice requirements of Section 11.1 are applicable.

11.3 Billing and Compensation to City During City's Possession

During such time that city is providing Collection services, as above provided, Franchisee shall continue to bill and collect payment from all users of the above-mentioned services.

Franchisee further agrees that, in such event, it shall reimburse City for any and all costs and expenses incurred by City in taking over possession of the above-mentioned property for Collection Service in such manner and to an extent as would otherwise be required of Franchisee under the Terms of this Agreement. Such reimbursement shall be made from time to time after submission by City to Franchisee of each statement listing such costs and expenses, but in no event later than five (5) Working Days from and after each such submission. The City shall have the right, at its sole discretion, to take over billing and payment collection activities. The City shall then pay any net revenues to the Franchisee, after deducting all expenses, including City-incurred expenses.

11.4 City's Right to Relinquish Possession

It is further mutually agreed that City may at any time at its discretion relinquish possession of any or all of the above-mentioned property to Franchisee and thereupon demand that Franchisee resume the Collection services as provided in this Agreement, whereupon Franchisee shall be bound to resume the same.

11.5 Duration of City's Possession

City's right pursuant to this Article to retain temporary possession-of Franchisee's facilities and equipment, and to render Collection services, shall terminate when City determines that such services can be resumed by Franchisee, or when City no longer reasonably requires such facilities or equipment. In any case, City has no obligation to maintain possession of Franchisee's property and/or continue its use for any period of time and may at any time, in its sole discretion, relinquish possession to Franchisee.

**ARTICLE 12.
DEFAULT, REMEDIES, AND LIQUIDATED DAMAGES**

12.1 Events of Default

All provisions of this Agreement to be performed by Franchisee are considered material. Each of the following shall constitute an event of default.

- A. **Fraud or Deceit.** If Franchisee practices, or attempts to practice, any fraud or deceit upon city.
- B. **Insolvency or Bankruptcy.** If Franchisee becomes insolvent, unable, or unwilling to pay its debts when due, or upon listing of an order for relief in favor of Franchisee in a bankruptcy proceeding. The Franchisee is also in default if there is an assignment of this contract for the benefit of its creditors.
- C. **Failure to Maintain Coverage.** If Franchisee fails to provide or maintain in full force and effect the Workers' Compensation, liability, indemnification coverage or any insurance coverage or bond required under this Agreement.
- D. **Violations of Regulation.** If Franchisee facilities fall out of full regulatory compliance or if Franchisee violates any orders or filings of any regulatory body having jurisdiction over Franchisee relative to this Agreement, provided that Franchisee may contest any such orders or filings by appropriate proceedings conducted in good faith, in which case no breach of the Agreement shall be deemed to have occurred.
- E. **Failure to Perform.** If Franchisee ceases to provide Collection services as required under this Agreement for a period of two (2) days or more, for any reason within the control of Franchisee.
- F. **Failure to Pay/Report.** If Franchisee fails to make any timely payments, including Liquidated Damages and penalties, required under this Agreement and/or fails to provide City with required information, reports, and/or records in a timely manner as provided for in the Agreement.
- G. **Acts or Omissions.** Any other act or omission by Franchisee which violates the terms, conditions, or requirements of this Agreement, the California Integrated Waste Management Act of 1989, as it may be amended from time to time, or any order, directive, rule, or regulation issued thereunder and which is not corrected or remedied within the time set in the written notice the violation or, if Franchisee cannot reasonably correct or remedy the breach within the time set forth in such notice, if Franchisee should fail to commence to correct or remedy such violation within the time set forth in such notice and diligently effect such correction or remedy thereafter.
- H. **False or Misleading Statements.** Any representation or disclosure made to City by Franchisee in connection with or as an inducement to entering into this Agreement, or any future amendment to this Agreement, which proves to be false or misleading in any material respect as of the time such representation or disclosure is made, whether or not any such representation or disclosure appears as part of this Agreement.

- I. **Attachment.** There is a seizure of attachment of, or levy on, the operating equipment of Franchisee, including without limits its equipment, maintenance, or office facilities, or any part thereof.
- J. **Suspension or Termination of Service.** There is any termination or suspension of the transaction of business by Franchisee, including without limit, due to labor unrest including strike, work stoppage or slowdown, sickout, picketing, or other concerted job action lasting more than two (2) days.

Upon default by the Franchisee, the City Manager shall provide written notice to Franchisee of the violation. The City Manager shall include in the notice, a demand that the Franchisee correct the violation within ten (10) days following the delivery of said notice. If the violation is not corrected within the ten (10) days, the City shall have the right to terminate the Agreement per the provisions provided in Section 12.2. For purposes of this Agreement and any notice required thereunder, the term "days" shall mean calendar days.

12.2 Right to Terminate Upon Default

Upon a default by Franchisee, City shall have the right to terminate this Agreement upon ten (10) days' notice if the public health or safety is threatened, or otherwise upon thirty (30) days' notice, but without the need for any hearing, suit, or legal action. This right of termination is in addition to any other rights of City upon a failure of Franchisee to perform its obligations under this Agreement.

12.3 Possession of Property and Billing Records and Systems Upon Termination

In the event of termination for default, the City shall have the right, subject to the obligations contained in Article 12 hereof, to take possession of any and all of Franchisee's land, equipment, and other property used or useful in the Collection, Diversion, and/or Disposal of Discarded Materials and to conduct all activities concerning billing and collection of fees for these services and to use such property. The City shall have the right to retain the possession of such property until other suitable arrangements can be made for the provision of Collection of Discarded Materials, which may include the award of an agreement or franchise to another waste hauling company. If the City retains possession thereof after the period of time for which Franchisee has already been paid by means of bills issued in advance of providing service for the class of service involved, Franchisee shall be entitled to the reasonable rental value of such property (which shall be offset against any damages due the City for the Franchisees default).

Franchisee shall provide the City immediate access to all of its business records and billing system related to its billing of accounts for services and shall take direction from the City regarding the billing of Customers during the period between the City's termination of the Agreement for default until other suitable arrangements can be made for the billing of Collection of Discarded Materials. The provisions of this Section 12.3 shall survive the termination of this Agreement.

12.4 City's Remedies Cumulative; Specific Performance

The City's right to terminate the Agreement under Section 12.1 and to take possession of the Franchisee's properties under Section 12.3 are not exclusive, and City's termination of this Agreement shall not constitute an election of remedies. Instead, they shall be in addition to any and all other legal and equitable rights and remedies which City may have.

By virtue of the nature of this Agreement, the urgency of timely, continuous, and high-quality service, the lead time required to effect alternative service, and the rights granted by City to Franchisee, the remedy of damages for a breach hereof by Franchisee is inadequate and City shall be entitled to injunctive relief and/or specific performance if it so desires.

12.5 Excuse from Performance

The Parties shall be excused from performing their respective obligations hereunder in the event they are prevented from so performing by reason of floods, earthquakes, other "acts of God", war, civil insurrection, riots, acts of any government (including judicial action), and other similar catastrophic events which are beyond the control of and not the fault of the Party claiming excuse from performance hereunder. Labor unrest, including but not limited to strike, work stoppage or slowdown, sick-out, picketing, or other concerted job action conducted by Franchisee's employees or directed at Franchisee, or its selected facilities is not an excuse from performance and Franchisee shall be obligated to continue to provide service notwithstanding the occurrence of any or all such events.

The Party claiming excuse from performance shall, within two (2) days after such Party has notice of such cause, give the other Party notice of the facts constituting such cause and asserting its claim to excuse under this Section.

The interruption or discontinuance of Franchisee's services caused by one or more of the events excused shall not constitute a default by Franchisee under this Agreement. Notwithstanding the foregoing, however, if Franchisee is excused from performing its obligations hereunder for any of the causes listed in this Section for a period of seven (7) days or more, City shall have the right to review the circumstances under which the excuse from performance was granted. After such review, if the City reasonably determines the excuse from service is no longer valid, the City shall notify the Franchisee in writing to resume service within two (2) days from the receipt of such notification. If the Franchisee fails to resume service within the two (2) days, the City shall have the right to terminate this Agreement by giving ten (10) days' notice, in which case the provisions relative to taking possession of Franchisee's land, equipment and other property and engaging Franchisee's personnel in Article 11, City's Right to Perform Service, and this Article 12 shall apply.

12.6 Liquidated Damages

12.6.1. General.

City finds, and Franchisee agrees, that as of the time of the execution of this Agreement, it is impractical, if not impossible, to reasonably ascertain the extent of damages which shall be incurred by City as a result of a breach by Franchisee of its obligations under this Agreement. The factors relating to the impracticability of ascertaining damages include, but are not limited to, the fact that:

- A. Substantial damage results to members of the public who are denied services or denied quality or reliable service;
- B. Such breaches cause inconvenience, anxiety, frustration, and deprivation of the benefits of the Agreement to individual members of the general public to whom the City provides services pursuant to this Agreement, in subjective ways and in varying degrees of intensity which are incapable of measurement in precise monetary terms;
- C. That services might be available at substantially lower costs than alternative services and the monetary loss resulting from denial of services or denial of quality or reliable services is impossible to calculate in precise monetary terms; and
- D. The termination of this Agreement for such breaches, and other remedies are, at best, a means of future correction and not remedies which make the City whole for past breaches. However, substantial breaches may result in the termination of this Agreement as described in Section 12.1.

12.6.2 Service Performance Standards and Liquidated Damages for Failure to Meet Standards.

The Parties further acknowledge that consistent, reliable Collection of Discarded Materials is of utmost importance to City and that City has considered and relied on Franchisee’s representations as to its quality of service commitment in awarding the Agreement to it. The Parties further recognize that if Franchisee fails to achieve the performance standards defined in this Section or fails to submit required documents in a timely manner, City and its residents will suffer damages, and that it is and will be impractical and extremely difficult to ascertain and determine the exact number of damages which City will suffer.

Therefore, without prejudice to City’s right to treat such non-performance as an event of default under this Article 12, the Parties agree that the following Liquidated Damage amounts represent a reasonable estimate of the number of such damages considering all of the circumstances existing on the date of this Agreement, including the relationship of the sums to the range of harm to City that reasonably could be anticipated and the anticipation that proof of actual damages would be costly or inconvenient.

The City may monitor the Franchisee’s performance under the Agreement in each of the performance areas listed below. In the event that the City determines that Franchisee has failed to meet the performance standard established for any of the areas identified below, the City may assess Liquidated Damages pursuant to this Section of the Agreement.

Franchisee agrees to pay (as Liquidated Damages and not as a penalty) the amounts set forth below:

	Event of Non-Performance	Liquidated Damage
1	For each occurrence of failing to provide Customers with Solid Waste, Recyclable Materials, or Organic Materials Containers as part of the three-Container system required by and compliant with the City’s Municipal Code (excluding Generators and Customers that demonstrate compliance with Recycling and Organic Materials Self-Hauling requirements pursuant to the Municipal Code and 14 CCR Division 7, Article 12, Article 7 and/or pursuant to Section 5.15 [Generator Waivers] of this agreement) unless Customer refuses to accept the Solid Waste, Recyclables Materials, or Organic Materials Container from Franchisee, and Franchisee has provided this information to the City or its designee for further review within two (2) Business Days of Customer refusal:	\$150 / Generator or Customer / occurrence / Day until compliance achieved

	documentation of issuance as required by Section 6.2 of this Agreement:	
22	For each fee that is issued to a Generator without prior authorization from City under this Agreement:	\$100 / Customer / Day

Liquidated Damages may be assessed at the discretion of the Utilities Director, not more than quarterly. The Utilities Director, or their designee, will issue a written notice to the Franchisee with the Liquidated Damages assessed and the basis for each assessment will only be assessed after Franchisee has been given the opportunity but failed to rectify the damages, as described in this Agreement (e.g., twenty-four (24) working hours to respond to a Complaint). City may determine the occurrence of events giving rise to Liquidated Damages through the observation of its own employees or representative or investigation of Customer Complaints.

Franchisee may review (and make copies at its own expense) all information in the possession of City relating to incident(s)/non-performance. Franchisee may, within ten (10) days after receiving the notice, request a meeting with City. If a meeting is requested, it shall be held by the City Manager or their designee. Franchisee may present evidence in writing and through testimony of its employees and others relevant to the incident(s)/non-performance. The City Manager or designee will provide Franchisee with a written explanation of their determination on each incident(s)/non-performance prior to authorizing the assessment of Liquidated Damages. The decision of the City Manager or designee shall be final.

In the event Franchisee does not submit a written request for a meeting within ten (10) calendar days of the date of the Notice of Assessment, the City Manager’s determination will be final.

12.7 Notice, Hearing, and Appeal

Should the Franchisee contend that the City is in breach of the Agreement, Franchisee shall file a written request with the Utilities Director for a consultation regarding the allegations. Such consultation shall be held within thirty days of the receipt of Franchisee's request. Franchisee shall present its position and all relevant facts to the Utilities Director. Franchisee shall be notified of the Utilities Director judgment within ten (10) days of the consultation.

If the Franchisee is not in agreement with the ruling issued by the Utilities Director, it shall have the right to appeal the decision to the City Manager. This appeal shall be made in writing to the City no later than fourteen days after the notification is mailed by Utilities Director of the judgment. The City Manager shall notify Franchisee of the time and date of the review of allegation within thirty days of the request. Franchisee shall present its position and all relevant facts to the City Manager. Franchisee shall be notified in writing within fourteen days of the City Manager's ruling. The decision of the City Manager can be appealed to City Council per Municipal Code Section 1.20.020.

12.8 Financial Material Errors, Omissions, or Irregularities

The City may review, test, and audit the books and records of the Franchisee for the purpose of determining whether the Franchisee is complying with the terms of the Agreement. In the event that material errors or omissions or irregularities are identified, then the cost associated with the audit, test, or review shall be paid by the Franchisee to the City. In the case of financial errors, materiality shall be deemed to be two percent (2%) or greater of the Gross Revenues of the Franchisee from activities performed under this agreement. Recovery of any over payment will be negotiated on a case-by-case basis, either immediately or through the next rate-setting evaluation.

**ARTICLE 13.
ASSIGNMENT**

13.1 Assignment

Except as provided in Article 11, City's Right to Perform Service, neither Party shall assign its rights nor delegate or otherwise transfer its obligations under this Agreement to any other person without the prior written consent of the other Party. Any such assignment made without the consent of the other Party shall be void and the attempted assignment shall constitute a material breach of this Agreement. The City may, however, assign its rights and delegate its obligations under this Agreement to a joint powers authority without the prior written consent of Franchisee.

For purposes of this section, "assignment" shall include, but not be limited to

- A. A sale, exchange, or other transfer to a third party of at least fifty-one percent (51%) of Franchisee's assets dedicated to service under this Agreement;
- B. A sale, exchange, or other transfer to a third party, including other shareholders, of outstanding common stock of Franchisee which may result in a change of control of Franchisee;
- C. Any dissolution, reorganization, consolidation, merger, recapitalization, stock issuance or re-issuance, voting trust, pooling agreement, escrow arrangement, liquidation, or other transaction which Franchisee or any of its shareholders is a party which results in a change of ownership or control of Franchisee;
- D. Any assignment by operation of law, including insolvency or bankruptcy, assignment for the benefit of creditors, writ of attachment for an execution being levied against this Agreement, appointment of a receiver taking possession of Franchisee's property, or transfer occurring in the probate proceeding; and
- E. Any combination of the foregoing (whether or not in related or contemporaneous transactions), which has the effect of any such transfer or change of ownership, or change of control of Franchisee.

Franchisee acknowledges that this Agreement involves rendering a vital service to City residents and businesses, and that City has selected Franchisee to perform the services specified herein based on:

- A. Franchisee's experience, skill, and reputation for conducting its Solid Waste management operations in a safe, effective, and responsible fashion, at all times in keeping with applicable Environmental Laws, regulations and best waste management practices, and
- B. Franchisee's financial resources to maintain the required equipment and to support its indemnity obligations to City under this Agreement. City has relied on each of these factors, among others, in choosing Franchisee to perform the services to be rendered by Franchisee under this Agreement.

If Franchisee requests City's consideration of and consent to an assignment, City may deny or approve such request in its complete discretion. The City is concerned about the possibility that assignment could result in significant rate increases, as well as a change in the quality of service. Accordingly, the following standards have been set to ensure that assignment will result in continued quality service. In addition, the City reserves the right to solicit competitive bids for these services if the assignment results in a request

by the assignee for rate increases that are higher than the inflationary index and do not reflect value changes in service standards. At a minimum, no request by Franchisee for consent to an assignment need be considered by City unless and until Franchisee has met the following requirements:

- A. Franchisee shall undertake to pay City its reasonable expenses for attorney's fees and investigate the suitability of any proposed assignee, and to review and finalize any documentation required as a condition for approving any such assignment.
- B. Franchisee shall furnish City with audited financial statements of the proposed assignee's operations for the immediately preceding three (3) operating years.
- C. Franchisee shall furnish City with satisfactory proof:
 - 1. That the proposed assignee has at least ten (10) years of Solid Waste management experience on a scale equal to or exceeding the scale of operations conducted by Franchisee under this Agreement;
 - 2. That in the last five (5) years, the proposed assignee or affiliates has not suffered any significant citations or other censure from any Federal, State, or local agency having jurisdictions over its waste management operations due to any significant failure to comply with Federal, State, or local Environmental Laws and that the assignee has provided City with a complete list of such citations and censures;
 - 3. That the proposed assignee has at all times conducted its operations in an environmentally safe and conscientious fashion;
 - 4. That the proposed assignee conducts its Solid Waste management practices in accordance with sound waste management practices in full compliance with all Federal, State, or local laws regulating the Collection and Disposal of Solid Waste, including Hazardous Wastes; and
 - 5. Of any other information required by City to ensure the proposed assignee can fulfill the terms of this Agreement in a timely, safe, and effective manner.

Under no circumstances shall the City be obliged to consider any proposed assignment by Franchisee, if Franchisee is in default at any time during the period of consideration.

ARTICLE 14. OTHER AGREEMENTS OF THE PARTIES

14.1 Relationship of Parties

The parties intend that Franchisee shall perform the services required by this Agreement as an independent contractor engaged by City and not as an officer or employee of City nor as a partner or joint venture with City. No employee or agent of Franchisee shall be or shall be deemed to be an employee or agent of City. Except as expressly provided herein, Franchisee shall have the exclusive control over the manner and means of conducting the Collection of Discarded Materials performed under this Agreement, and all Persons performing such services. Franchisee shall be solely responsible for the acts and omissions of its officers, employees, Subcontractors, and agents. Neither Franchisee nor its officers, employees, Subcontractors, and agents shall obtain any rights to retirement benefits, workers compensation benefits, or any other benefits which accrue to City employees by virtue of their employment with City.

14.2 Governing Law

This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of California.

14.3 Jurisdiction

Any lawsuits between the parties arising out of this Agreement shall be brought and concluded in the courts of the State of California, which shall have exclusive jurisdiction over such lawsuits. With respect to venue, the parties agree that this Agreement is made in and will be performed in San Luis Obispo County.

14.4 Subcontracting

Except as approved in writing by the City, Franchisee shall not enter into an agreement to have another Person perform Franchisee's duties of this Agreement. Franchisee shall undertake to pay City its reasonable expenses for attorney's fees and investigation costs necessary to investigate the suitability of any proposed Subcontractor, and to review and finalize any documentation required as a condition for approving any such subcontracting agreement.

14.5 Interests of Franchisee

Franchisee covenants that it presently has no interest, and shall not acquire any interest, direct or indirect or otherwise, which would conflict in any manner or degree with the performance of the work hereunder. The Franchisee further covenants that, in the performance of this work, no Subcontractor of any person having such an interest shall be employed. The Franchisee certifies that no one who has or will have any financial interest in performing this work is an officer or employee of the City.

14.6 Binding on Successors

The provisions of this Agreement shall inure to the benefit to and be binding on the successors and permitted assigns of the parties.

14.7 Transition to Next Franchise

At the point of transition to a new Franchise, Franchisee will cooperate with City and subsequent franchisee(s) to assist in an orderly transition which will include Franchisee providing route lists and billing information. Franchisee will not be obliged to sell Collection vehicles or Containers to the next franchisee. Franchisee, at its option, may enter into negotiations with the next franchisee to sell (in part or all) Collection vehicles and/or Containers.

14.8 Parties in Interest

Nothing in the Agreement, whether express or implied, is intended to confer any rights on any persons other than the parties to it and their representatives, successors and permitted assigns.

14.9 Waiver

The waiver by either Party of any breach or violation of any provision(s) of this Agreement shall not be deemed to be a waiver of any breach or violation of any other provision nor of any subsequent breach or violation of the same or any other provision. The subsequent acceptance by either Party of any monies which become due hereunder shall not be deemed to be a waiver of any pre-existing or concurrent breach or violation by the other Party of any provision of this Agreement.

14.10. Condemnation

Exhibit A

Annual Rate Adjustment Methodology

Section 1 Objectives

This Exhibit details the process by which Maximum Service Rates are adjusted annually to provide fair and adequate compensation to Franchisee for collection of solid waste and other services provided to Customers and the City per the Agreement. The annual rate adjustment methodology described herein fulfills key objectives established by the City and Franchisee, including rate stability, predictability, fairness, transparency, ease of administration, and cost-effectiveness.

Section 2 Index-Based Rate Adjustments

Except in the case of a Cost-Based Rate Adjustment (see Section 3, below) Franchisee's Maximum Service Rates shall be adjusted via the Index-Based Rate Adjustment methodology described in this section. The Index-Based Rate Adjustment methodology shall be used to adjust Maximum Service Rates effective each January 1 of 2026, 2027, 2028, and 2029 and any subsequent year during which a Cost-Based Rate Adjustment is not allowed or not requested by the City or the Franchisee.

In years during which Maximum Services Rates are to be adjusted pursuant to this Index-Based Rate Adjustment methodology, Franchisee shall submit a report to the City on or before September 1 detailing its calculations of Index-Based Rate Adjustment. City shall have the right to review Franchisee's calculations of Index-Based Rate Adjustment for mathematical accuracy and adherence to the terms and conditions of this Exhibit. City shall prepare written findings regarding adjustments to the Franchisee's calculations of Index-Based Rate Adjustment that are required for mathematical accuracy and adherence to the terms and conditions of this Exhibit on or before October 30.

Index-Based Rate Adjustments shall be prepared and calculated in accordance with the steps described below. All Index-Based percentages shall be rounded to the nearest hundredth of a percent, and all cost calculations shall be rounded to the nearest dollar.

A. Calculation of CPI Adjustment to Franchisee's Collection Services and Post-Collection Services

Franchisee's prior year cost projections for Collection Services and Post-Collection Services shall be adjusted in accordance with the Consumer Price Index (CPI) for Garbage and Trash Collection, U.S. City average, Bureau of Labor Statistics Series I.D. CUUR0000SEHG02.

The CPI Adjustment shall be equal to the percentage change in the average 12-month CPI value ending June of the current year and compared to the average 12-month CPI value ending June of the prior year.

For example, the CPI used to set the 2026 rates shall be calculated as follows:

$$\frac{(\text{Average CPI from July 1, 2024 to June 30, 2025}) - (\text{Average CPI from July 1, 2023 to June 30, 2024})}{\text{Average CPI from July 1, 2023 to June 30, 2024}}$$

If the percentage change is below 2%, the applicable CPI Adjustment shall be 2%, with the difference in the amount below 2% being carried forward as a credit on the rates and applied to the subsequent year. If the percentage change is above 5%, the applicable CPI Adjustment shall be 5%, with the difference in the amount above 5% being carried forward and applied to the rates in subsequent years. Franchisee's prior year cost projections for Collection Services and Post-Collection Services shall be escalated by the resultant CPI Adjustment, rounded to the nearest dollar.

Franchisee’s 2025 cost projection for Collection Services is \$8,552,555 and Franchisee’s 2025 cost projection for Post-Collection Services is \$4,602,096. For 2026, by way of example, if the percentage change in the average 12-month CPI value ending June 2026 compared to the average 12-month CPI value ending June of 2025 is 5%, then Franchisee’s 2026 cost projection for Collection Services shall be \$8,980,183 and Franchisee’s 2026 cost projection for Post-Collection Services shall be \$4,832,201. Likewise, if the percentage change in the average 12-month CPI value ending June 2026 compared to the average 12-month CPI value ending June of 2025 is 2%, then Franchisee’s 2026 cost projection for Collection Services shall be \$8,723,606 and Franchisee’s 2026 cost projection for Post-Collection Services shall be \$4,694,138.

Example Calculation for application of amounts above cap on CPI increases applied to Collection Services component of CPI Adjustment (noting that cap on CPI increases also applies to Post-Collection Services):

Year 1

Collection Services: \$8,552,555

12-month average CPI index increase: 6.00%

$$\$8,552,555 \times (1+5.00\%*) = \$8,980,183$$

**5% cap on CPI increases. 1% difference carried over to next year*

Year 2

Collection Services: \$8,980,183

12-month average CPI index increase: 6.00%

$$\$8,980,183 \times (1+5.0\%*) = \$9,429,192$$

**5% cap on CPI increases. 1% difference carried over to next year*

Year 3

Collection Services: \$9,429,192

12-month average CPI index increase: 3.00%

$$\$9,429,192 \times (1+5.0\%*) = \$9,900,651$$

**3.00% + 1.00% carried forward from Year 1 + 1.00% carried forward from Year 2*

The above is also demonstrated in Table 1, below:

Table 1 – Example of CPI Cap and Carryforward

	2025	2026	2027	2028
Collection Services	\$8,552,555	\$8,980,183	\$9,429,192	\$9,900,651
12-Month Average CPI	6.00%	6.00%	3.00%	
CPI Adjustment (5% Cap)	5.00%	5.00%	5.00%	

B. Calculation of Profit Allowance

The Index-Based Rate Adjustment methodology includes a component for Franchisee's fair and reasonable Profit Allowance. Profit Allowance is used for the purposes of calculating Index-Based Rate Adjustments and does not constitute a guarantee of profit to the Franchisee.

Franchisee's Profit Allowance for the purposes of Index-Based Rate Adjustments is calculated as a function of Franchisee's current year cost projection for Collection Services. For 2025, Franchisee's Profit Allowance is 9% of the cost projection for Collection Services and in 2026 and thereafter, Franchisee's Profit Allowance shall be 10% of the cost projection for Collection Services.

Franchisee's 2025 cost projection for Collection Services is \$8,552,555; therefore, Franchisee's Profit Allowance for 2025 is \$8,552,555 times 9%, rounded to the nearest dollar, equaling \$769,730. Using the first example from Section 2.A above, if Franchisee's 2026 cost projection is \$8,980,183 (corresponding to a 5% CPI Adjustment), Franchisee's 2026 Profit Allowance for the purposes of calculating Index-Based Rate Adjustment shall be \$898,018. Likewise, and using the second example from Section 2.A above, if Franchisee's 2026 cost projection is \$8,723,606 (corresponding to a 2% CPI Adjustment), Franchisee's 2026 Profit Allowance for the purposes of calculating Index-Based Rate Adjustment shall be \$872,361 .

C. Calculation of CPI Adjustment to AB 939 Fee

Franchisee pays the City an AB 939 Fee which in 2025 is \$368,041. The AB 939 Fee shall be adjusted annually in accordance with the same CPI Adjustment calculation described in Section 2.A above, or as otherwise directed by the City.

Using the examples from Section 2.A, for 2026, if the percentage change in the average 12-month CPI value ending June 2026 compared to the average 12-month CPI value ending June of 2025 is 5%, then the 2026 AB 939 Fee shall be \$386,443. Likewise, if the percentage change in the average 12-month CPI value ending June 2026 compared to the average 12-month CPI value ending June of 2025 is 2%, then the 2026 AB 939 Fee shall be \$375,402. Alternatively, the City may direct Franchisee regarding the amount of AB 939 Fee payable to the City for the coming rate year (and shall provide that amount to the Franchisee prior to September 1 in an Index-Based Rate Adjustment year.

D. Calculation of Franchise Fee

Franchisee pays the City a Franchise Fee of 10% of Franchisee's gross revenues received from Customers in the City. For the purposes of Index-Based Rate Adjustments, the Franchise Fee is calculated as 10% of Franchisee's annual Total Cost Projection, per Section 2.F below, rounded to the nearest dollar. For 2025, Franchisee's annual Total Cost Projection is \$15,880,469 , yielding Franchise Fee component of \$1,588,047 . Actual Franchise Fee payments made by Franchisee to City shall be calculated as a function of Franchisee's gross revenues received from Customers in the City and may differ from the amount used in calculating adjustments to the Maximum Service Rates.

E. Calculation of Annual Revenue Reconciliation

Starting with the 2027 Index-Based Rate Adjustment, the difference between the Franchisee's annual Total Cost Projection and the Franchisee's actual annual total billings to Customers in the City shall be included in the annual Index-Based Rate Adjustment as an Annual Revenue Reconciliation.

For example, for the 2027 Index-Based Rate Adjustment, the difference between Franchisee's 2025 Total Cost Projection and Franchisee's total 2025 billings to Customers in the City shall be included in the 2027 annual Total Cost Projection. By way of example, if Franchisee's 2025 total billings to Customers in the City is a shortfall of 1% (-\$158,805) then \$158,805 will be added to

Franchisee’s Total Cost Projection for 2027. Conversely, if Franchisee’s 2025 total billings to Customers in the City is a surplus of 1% (+\$158,805) then \$158,805 will be subtracted from Franchisee’s Total Cost Projection for 2027.

Table 2, on the following page, provides an example of the case in which there is a 1% shortfall of billed revenues in 2025, which is added to the Total Cost Projection in 2027. The table shows a continuation of 1% shortfalls being added in 2028 and 2029 for example purposes only, and assumes the CPI adjustment to Collection Services, Post-Collection Services, and AB 939 Fee at the 5% cap. Table 2a on the following page, provides an example of the case in which there is a 1% surplus of billed revenues in 2025, which is added to the Total Cost Projection in 2027. The table shows a continuation of 1% surpluses being added in 2028 and 2029 for example purposes only, and assumes the CPI adjustment to Collection Services, Post-Collection Services, and AB 939 Fee at the 5% cap.

Significant, unexpected increases or decreases in revenue may be included or excluded from the Annual Revenue Reconciliation if deemed reasonable by the parties. As a one-time exercise, the Franchisee may request to review the entirety of its revenue earnings with the City as a check-in to evaluate alignment with its revenue forecast and conditions outlined in this exhibit. By no later than September 30, 2025, the Franchisee shall provide the City with documentation of actual to-date

receipts or billings, accompanied by an analysis of all corresponding service trends. Upon receipt of these materials, the City and the Franchisee shall engage in a good-faith meet-and-confer process to discuss and determine an appropriate resolution, which may include a rate adjustment in January 2026 if necessary.

F. Calculation of Total Cost Projection

Franchisee’s annual Total Cost Projection shall be the sum of the resultant values from Section 2.A through 2.E above. For 2025, the Total Cost Projection is \$15,880,469. Table 3 below demonstrates the 2026 Total Cost Projection if the percentage change in the average 12-month CPI value ending June 2026 compared to the average 12-month CPI value ending June of 2025 is 5%. Table 4, on the following page, demonstrates the 2026 Total Cost Projection in the percentage change in the average 12-month CPI value ending June 2026 compared to the average 12-month CPI value ending June of 2025 is 2%.

Table 3 – 2026 Total Cost Projection at 5% CPI Value for 2026

	2025	2026

Franchise Fee	1,588,047	1,629,501
Total Cost Projection	15,880,469	16,295,007

G. Calculation of Annual Index-Based Rate Adjustments

The Index-Based Rate Adjustment shall be the calculated as function of the Franchisee’s forthcoming annual Total Cost Projection divided by the then current year Total Cost Projection, minus 100%, rounded to the nearest hundredth of a percent.

For example, taking the results shown in Table 3, on the prior page, the Index-Based Rate Adjustment for 2026 would be \$16,774,272 , divided by \$15,880,469, minus 100%, yielding a 5.63% adjustment to the Maximum Service Rates effective January 1, 2026. Using the results of Table 4, above as an example, the Index-Based Rate Adjustment for 2026 would be \$16,295,007, divided by \$15,880,469 , minus 100%, yielding a 2.61% adjustment to the Maximum Service Rates effective January 1, 2026.

This Index-Based Rate Adjustment calculation described herein shall repeat in 2027, 2028, and 2029, with the addition of the Annual Revenue Reconciliation amounts calculated pursuant to Section 2.E of this Exhibit. Rate adjustments shall be effective on January 1st of each year (unless otherwise agreed to in writing by the parties) and any delay in rate change approval not caused by Franchisee will result in additional adjustments so that all required revenues are billed within the rate year. Any delay in rate change approval that is caused by Franchisee shall not result in additional adjustments corresponding with the delay in approval.

Section 3 Cost-Based Rate Adjustments

Franchisee or City shall have the right to request a Cost-Based Rate Adjustment effective January 1, 2030. Franchisee's request for Cost-Based Rate Adjustment in 2030 shall be requested in writing on or before January 15, 2029 and City's request for Cost-Based Rate Adjustment in 2030 shall be requested in writing on or before January 31, 2029. To the extent possible Any City request for Cost-Based Rate Adjustment shall be coordinated with the other agencies in San Luis Obispo County that follow the rate adjustment methodology described in this Exhibit, with all such agencies opting to request Cost-Based Rate Adjustment effective in the same rate year

Upon request by either party for Cost-Based Rate Adjustment, Franchisee shall prepare and submit financial records and calculations to the City in accordance with this Section by April 30, 2029. City shall have the right to review Franchisee's financial records related to the Cost-Based Rate Adjustment and calculations of Cost-Based Rate Adjustment for mathematical accuracy and adherence to the terms and conditions of this Section. City shall prepare written findings regarding adjustments to the Franchisee's calculations of Cost-Based Rate Adjustment that are required for mathematical accuracy and adherence to the terms and conditions of this Exhibit on or before June 30, 2029. City shall make every effort to seek City Council authorization of Cost-Based Rate Adjustment prior to August 30, 2029. If neither party requests a Cost-Based Rate Adjustment in writing as specified above, then an Index-Based Rate Adjustment shall be applied for adjustments to Maximum Service Rates effective January 1, 2030 and subject to the terms and conditions of Section 2 of this Exhibit.

Franchisee or City shall have the right to request subsequent Cost-Based Rate Adjustments no more frequently than every five (5) years following the prior Cost-Based Rate Adjustment. For example, if a Cost-Based Rate Adjustment is requested as stipulated in above in January, 2029 (and effective January 1, 2030) then the next Cost-Based Rate Adjustment may not be requested by either party until January, 2034 (for effectiveness in 2035). The schedule from the following paragraph would also apply: Franchisee would prepare and submit financial records and calculations by April 30, 2034, City would prepare written findings regarding adjustments to Franchisee's calculations of Cost-Based Rate Adjustment that are required for mathematical accuracy and adherence to the terms and conditions of this Exhibit by June 30, 2034, and City would make every effort to seek City Council authorization of Cost-Based Rate Adjustment prior to August 30, 2034.

Notwithstanding the above, nothing shall prevent the parties from mutually agreeing to conduct Cost-Based Rate Adjustments in other years (i.e., years other than 2030 and 2035), provided that both parties agree in writing to waive the five (5) year limitation on Cost-Based Rate Adjustments expressed herein. If neither party requests Cost-Based Rate Adjustments in subsequent years pursuant to the five (5) year schedule described above, then Index-Based Rate Adjustments shall be applied for adjustments to Maximum Service Rates in such years, subject to the terms and conditions of Section 2 of this Exhibit.

Franchisee shall provide all financial information and supporting documentation required by this review in a format acceptable to City (or City's designated consultant) in a timely manner. Franchisee shall not require City (or City's designated consultant) to review any such documents at Franchisee's worksite but shall instead allow for all required information and supporting documentation to be provided to City (or its designated consultant) via physical mail, e-mail, or any other delivery method approved by City.

Cost-Based Rate Adjustments shall be prepared and calculated in accordance with the steps described below.

A. Projection of Collection Services and Post-Collection Service Costs

Franchisee shall prepare financial records and calculations of Cost-Based Rate Adjustment using audited financial statements prepared in accordance with Generally Accepted Accounting Principles (GAAP) for Franchisee's immediately preceding three (3) fiscal years. Such financial records and calculations shall include Franchisee's projected costs for Collection Services and Post-Collection Services as well as Franchisee's projected gross revenues at then-current Maximum Service Rates for the forthcoming year (e.g., 2030 at the earliest).

Franchisee shall promptly assemble, provide, and submit such information that is reasonably necessary to support the assumptions made by the Franchisee with regard to the assumptions underlying the forecast. Upon submission of such information, the City holds the ability to make appropriate changes for non-allowable costs, large unsupported variances in cost projections including but limited to corporate transactions and allocations, large variances in inter-company and related party transactions and allocations, unjustifiable variances in any cost category, non-conformance with agreed upon depreciation terms, non-conformance agreed upon profit allowances, and other customary and reasonable adjustments as detailed in the Agreement. Cost projections for Collection Services and Post-Collection Services prepared by Franchisee must be justifiable, supportable with financial information, and provide accountability for all expenditures. In preparing such cost projections, Franchisee shall assemble and submit its forecasts of:

- a. Revenues at current Maximum Service Rates for the then-current year, including delineation of revenues by sector (single-family residential vs. commercial and multi-family) and with details of the number of subscribers by type within each sector.
- b. Projected costs of Collection Services for the then-current year and the forthcoming year, with comparison to and explanation of any variances to actual costs for Collection Services in the prior three (3) fiscal years. Costs for Collection Services include labor, corporate overhead, depreciation (with rolling stock at 10-year depreciation lifespan), and general and administrative costs and shall be delineated as per the primary cost categories included in Franchisee's Audited Financial Statements. Franchisee must provide documentation of, and explanation for, material variances in any cost category. Projected costs for the forthcoming year shall be based on Franchisee's actual costs per Audited Financial Statements and escalated by the CPI Adjustment described in Section 2.A of this Exhibit, with the exception that Franchisee may adjust projections to account for other documentable changes in costs. Corporate overhead costs shall be limited to be less than 4% of Franchisee's Total Cost Projection for the forthcoming year and Franchisee must provide documentation and justification for any amounts of Corporate Overhead above 3% of Franchisee's Total Cost Projection for the forthcoming year. City retains the right to make appropriate adjustments to cost projections to cost categories for which Franchisee does not or cannot provide adequate documentation and explanation of material variances compared to prior years.

- c. Projected costs of Post-Collection Services for the then-current year and the forthcoming year, with comparison to and explanation of any variances to actual costs for Collection Services in the prior three (3) fiscal years. Costs for Post-Collection Services include landfill disposal, organics processing, recyclables processing and marketing, related-party transportation, and related-party rent and shall be delineated as per the primary cost categories included in Franchisee's Audited Financial Statements. Franchisee must provide documentation of, and explanation for, material variances in any cost category. Projected costs for the forthcoming year shall be based on Franchisee's actual costs per Audited Financial Statements and escalated by the CPI Adjustment described in Section 2.A of this Exhibit, with the exception that Franchisee may adjust projections to account for other documentable changes in costs. City retains the right to make appropriate adjustments to cost projections to cost categories for which Franchisee does not or cannot provide adequate documentation and explanation of material variances compared to prior years.
- d. Franchisee shall not include any non-allowable costs in its cost projections for Collection Services or Post-Collection Services. Non-allowable costs include but are not limited to:
 - i. Entertainment and non-work related travel expenses, unless authorized in advance by City.
 - ii. Advertising for services not within the scope of this Agreement or outside of the service area of the City of San Luis Obispo.
 - iii. Fines or penalties of any nature.
 - iv. Liquidated damages assessed under this Agreement.
 - v. Federal or State income taxes.
 - vi. Profit sharing payments not related to an IRS approved pension program.
 - vii. Charitable or political donations.
 - viii. Attorneys' fees and other expenses incurred by Franchisee in any court proceeding in which City and Franchisee are adverse parties, unless Franchisee is the prevailing party in said proceedings.
 - ix. Attorneys' fees and other expenses incurred by Franchisee in any court proceeding in which Franchisee's own negligence, violation of law or regulation, or other wrongdoing, is in issue and occasions part of the attorneys' fees and expenses claimed, provided, however, such attorneys' fees will be allowed to the extent Franchisee can demonstrate they were reasonable and necessary and a cost of doing business, and were not the result of any intentional or willful misconduct by Franchisee or its employees; and attorneys' fees and expenses incurred by Franchisee in a court proceeding in which the legal theory or statute providing a basis of liability against Franchisee also provides for separate strict liability for City arising from the action of its citizens or ratepayers (such as in a CERCLA lawsuit).
 - x. Payments to related party entities for products or services (other than lease expense, calculated as provided below), in excess of the fair market value for those products or services. For purposes of this Agreement, related party expenses are those resulting from transactions between Franchisee and another company (companies) that has (have) common ownership or management control.

- e. Franchisee's audited financial statements, and any other documentation as deemed necessary by the City, will be reviewed to determine Franchisee's cost projections for each of the foregoing categories during the year involved. City will use the financial statements to determine that costs have actually been incurred and have been assigned to the appropriate category.
- f. City may adjust the actual costs in two ways: (1) to exclude any non-allowable costs, set out below, and (2) to exclude and/or reduce any costs that were actually incurred but which are not reasonable and necessary in keeping with industry standard best practices.

B. Calculation of Profit Allowance

Franchisee's Profit Allowance shall be 10% of the cost projection for Collection Services, rounded to the nearest dollar.

C. Calculation of CPI Adjustment to AB 939 Fee

Calculation of AB 939 Fee shall be calculated in accordance with Section 2.C, above, for the applicable year as appropriate.

D. Calculation of Franchise Fee

Calculation of Franchise Fee shall be calculated in accordance with Section 2.D, above, for the applicable year as appropriate.

E. Calculation of Annual Revenue Reconciliation
