Grant Metrics & Performance Outcomes Template

Metrics/Performance Outcomes	Results
1. Number of individuals served.	
 Served refers to individuals specifically receiving any of the following: Services directly provided by the grantee; Program/project applications, instructions, trainings, products, or concepts; Information (orally or in printed, in-person, virtually or over the phone); Any materials (flyers, brochures, etc.); Referrals 	
2. Number of service hours provided.	
<u>Service hours</u> refer to any amount of time that is directly linked or performed as part of the work defined within the scope of the agreement signed by the grantee.	
3. Number of activities.	
Activities can be defined as gatherings either the grantee organizes or attends. In either case, grantee must specify if it attended or organized the activity. This can be events, workshops, panel discussions, roundtable discussions, presentations, etc. • Activities refer to any gathering designed to <i>promote</i> programs, services, or concepts related to the components within the scope of the agreement signed by the grantee. • Activities also refer to any gathering designed to <i>create awareness</i> of the programs, services, or concepts related to the components as defined within the agreement signed by the grantee. • Activities also refer to any gathering designed to <i>outreach</i> , <i>engage</i> , <i>consult</i> , <i>and collaborate</i> with the community as defined within the agreement signed by the grantee	
4. Estimated number of individuals attending activities.	
Based on the scope of the agreement signed by the grantee, please provide a rough number or best estimate of individuals that 1) either attend a grantee led event or 2) approach the booth/table in which the grantee participates.	
5. Report perception of services provided and/or engaged activities.	
Survey individuals to measure the impact of the services provided and/or engaged activities as described within the scope of the agreement signed by the grantee. Report in percent and total number of individuals served. Technical assistance can be provided to grantee in development of questions.	
6. Demographic Questions	To be reported by grantee in statistical
Demographic questions are highly encouraged to be completed by individuals that fall within the grantee's scope of services. A current demographic survey is available and is highly encouraged for grantee to reach out for the demographic survey template.	section above.

(must be reported by all grant recipients based on the services/programs they provide)

City of San Luis Obispo Grant Recipient Report

Midyear Report Due: January 20, 2025 – Year-End Report Due: July 20, 2025

Grant Name:	City of SLO, HRC (formerly	City of SLO, HRC (formerly GIA)					
Grant Year:	June 2024 – July 2025						
Type of Report:	Midyear Report Year-End Report			✓			
Organization: Community Action Partnership of SLO County, Inc.							
Project Name: Families in Transition (FIT)							

Administrator's Report: (A brief synopsis of the activities of the reporting periods, including a statement of the activities service or programs provided as described in Exhibit A (your grant application) and any changes that have occurred during the reporting period. If operations or service provision have changed, please disclose and explain the reasoning and response to changes in this section.

Eight (8) families were provided short-term case management services related to eviction prevention. This includes intake, resources, and linkages to community programs/resources related to long term housing and financial assistance.

Statistical Report: (This section mut include 1) the metrics reported and described in Exhibit A (your grant application and 2) the demographic data collected through the surveys.

Measurable Outcome #1:

Provide 5 families (5 homeless families or families at risk of eviction) with housing-related case management services, including housing navigation, accessing credit scores, public housing eligibility, and rental payments schedules with landlords for past-due rent.

Fourteen (14) families at-risk of eviction have received housing related case management services, such as partial rental assistance, application assistance, and community linkages.

Measurable Outcome Revision #2

Provide 4-8 families (either homeless or at risk of eviction) with \$500-\$1,000 of financial assistance for rent, housing applications, rental security deposits, credit score fees, or any other housing fees.

Four (4) families received direct financial support from the HRC Funds with the other ten (10) families receiving support from other resources.

Demographic data:

Families Served:14 Adults Served: 24 Children Served: 38

Race/Ethnicity: Hispanic: 9 White: 4

African American: 1

Primary Language:

English: 6 Spanish: 8

<u>Projected</u>: 80% (4 of 5) families at risk for eviction will demonstrate an improvement in financial stability after 90 days of housing-related case management services.

<u>Year End</u>: 280% (14 of 5) will demonstrate an improvement in financial stability after 90 days of housing-related case management services.

<u>Projected:</u> 80% (4 of 5) homeless families will demonstrate an improvement in housing stability after 90 days of housing-related case management services.

<u>Year End:</u> 280% (14 of 5) demonstrate an improvement in housing stability after 90 days of housing-related case management services.

Financia Report: (A financial statement detailing how the City's grant funding has been or planned to be allocated).

City of San Luis Obispo Grant Recipient Report

Midyear Report Due: January 20, 2025 – Year-End Report Due: July 20, 2025

Grant Name:	City of SLO, HSG (formerly HRC, GIA)				
Grant Year: July 2024 – June 2025					
Type of Report:	Midyear Report Year-End Report			Х	
Organization:	Community Action Partnership of SLO County, Inc.				
Project Name:	Homeless Prevention				

Administrator's Report: (A brief synopsis of the activities of the reporting periods, including a statement of the activities service or programs provided as described in Exhibit A (your grant application) and any changes that have occurred during the reporting period. **If operations or service provision have changed, please disclose and explain the reasoning and response to changes in this section.**

The Homeless Prevention/Stable Housing Program provides emergency financial assistance to City of San Luis Obispo households that are at risk of being evicted and need assistance with a rental payment, or who need assistance securing housing with first month's rent and/or a security deposit. Only those assessed individuals who can demonstrate their ability to maintain rent beyond the assistance and are willing to participate in case management for 6 months (to further ensure continued success) are accepted into the program. Case managers work with candidates to develop and maintain a realistic post-housed budget and connect them to community resources to obtain additional assistance (i.e., food, clothing, job training). In addition, individuals are encouraged to stretch their dollars further by utilizing services at 40 Prado, including free laundry, meals, primary medical care and other supportive services offered during the day.

Statistical Report: (This section mut include 1) the metrics reported and described in Exhibit A (your grant application and 2) the demographic data collected through the surveys.

Measurable Outcome #1:

Intakes on at least 200 SLO City residents at shelter

During the reporting period shelter has been provided to 495 households. Within the total households provided shelter 148 households indicated that their last permanent address was SLO City. However, many households served at Prado HSC do not have a location of last residence listed. CAPSLO recently moved their database of records from an internal CAPSLO database to the County HMIS system, which has caused data quality errors related to location-based reports (among other reports). CAPSLO is addressing all data quality issues and will look forward to a more accurate outcome measure for this report after June 2025.

Measurable Outcome #2

Case Management provided to 8 SLO City residents

During the reporting period case management services has been provided to 222 households. All households who received this service were enrolled in our HFSP and Safe Parking programs. Of this group 161 households indicated that their last permanent address was SLO City.

Measurable Outcome #3

8 SLO City residents served with direct rental assistance

Five households, as of 2/28/25 have been provided direct rental assistance to move into permanent housing.

Measurable Outcome #4

8 SLO City residents still housed at 90 check-in.

All households who were provided with direct rental assistance are still stable in housing. As of this report only two households have been housed for more than 90 days and they are still housed.

Demographic data:

of residents served by your program July 2024-December 2024 City of SLO.

959 households were served by CAPSLO during this time. 166 households specifically received housing navigation case management. Of the 166, 25 were SLO City residents who received homeless prevention services.

Financial Report: (A financial statement detailing how the City's grant funding has been or planned to be allocated).

COMMUNITY ACTION PARTNERSHIP OF SAN LUIS OBISPO COUNTY, INC. City of San Luis Obispo - Human Relations Commission Case Management Homeless Prevention/Stable Housing Project Year-End HRC-GIA Report July 1, 2024 to February 28, 2025

City of San Luis Obispo Grant Recipient Report Template

Midyear Report Due: January 20, 2025 Year-End Report Due: July 20, 2025

Grant Name:	Human Services Grant			
Grant Year:	2024-2025			
Type of Report:	Midyear Report (check box) End-year Report (check box)			
Organization:	CASA of San Luis Obispo County, Inc.			
Project Name:	General SLO CASA Program Support			

Administrator's Report: (A brief synopsis of the activities of the reporting period, including a statement of the activities, service or programs provided as described in Exhibit A (your grant application) and any changes that have occurred during the reporting period. If operations or service provision have changed, please disclose, and explain the reasoning and response to changes in this section.)

Funding from this grant was allocated to cover roughly 10% of the cost of annual rent for our office complex in the city of SLO. This funding is critical to sustaining our services, which includes preventing homelessness for foster youth exiting the system.

The CASA office is a vital hub for staff and volunteers to perform all of our program's essential functions including: to convene together to collaborate, interview and train new volunteers; and to hold meetings, continuing education trainings, and workshops to support our volunteers so they can better serve foster youth. SLO Dependency Court hearings are held via Zoom, so CASA volunteers use our confidential office space and highspeed internet to attend court online. Our offices also provide comfortable and confidential space for CASA volunteers to meet with their assigned youth.

During this period, we served 209 children and staff recruited, trained and supervised 182 active CASA volunteers.

During the reporting period, CASA staff conducted the following activities in-person at our offices in SLO:

- Four pre-service trainings were held in-person over five weeks for new volunteers (40 hours per training). As a result, 33 new volunteers were recruited, trained, and sworn-in as volunteer advocates by the Court.
- We held 20 "team gatherings" for current volunteers to engage and collaborate.
- Hosted six Mentor groups for volunteers assigned to teens age 14-21 to attend with their assigned youth. These Mentor Group activities are a way for volunteers and their assigned youth to bond; and to learn important skills to promote healthy transition to adulthood, including resume workshops, housing assistance, college financial aid assistance, cooking classes, and more. The activities are age-appropriate for youth 14-21 to teach them life skills and/or are therapeutic.
- Six Infant & Toddler Program group meetings for advocates assigned to children ages 0-5
- 12 in-service/continuing education presentations for volunteer advocates; including training for CASA volunteers on non-binary identity. LGBTQ youth are over-represented in the foster youth population, and it is critical that CASA yolunteers have the skills and knowledge necessary to understand and meet their needs.

Statistical Report: (This section must include 1) the metrics reported as described in Exhibit A (your grant application) and 2) the demographic data collected through the surveys.

1).

- Recruitment, screening and training of 33 new CASA volunteers
- We provided a CASA volunteer for an average of 75%-83% of children in foster care during the time period.
- We continued our work to increase the diversity of CASA volunteers through targeted outreach and recruitment. During this period:
 - o Bilingual banner for volunteer recruitment was hung in the city of SLO in February and May of 2025
 - Our percentage of volunteers who are male increased to 21.5% (an increase from prior years)
 - Our percentage of Latinx volunteers slightly increased from 10% to 11%.
 - **Here is information regarding the main barrier to increasing Latinx Male CASAs: It is a challenge to increase male volunteers in general, but the sub-population of male Latinx or bilingual is a bigger challenge (we had an increase in Latinx volunteers from 10% to 11% over the fiscal year, which is still an increase, but just not as much as we were hoping to see.) However, comparing our demographics children/volunteers we do have a good match 5.5% of children we serve are Latinx while 11% of our volunteers are Latinx. However, we still have a high percentage of children whose families decline to state or put unknown for race/ethnicity. Therefore, we still need to increase our population base of volunteers for Latinx and men. According to our focus groups and input from our Men's Group, some men view this volunteer role as more of a historically "female" role. In SLO County the percentage of bilingual/Latinx men is also lower. We are trying new recruitment strategies and engaging our Men's Group to help us recruit more men, including Latinx and bilingual.
 - Most recently, members of the Latinx community have shown reluctance to engage in community activities based on fear of increased visibility that could lead to targeting by new aggressive federal ICE policies.
- We continue to meet social service needs of foster youth through collaboration and successfully updated our MOUs with community partners to promote role clarity and avoid duplication. These include written agreements with the following organizations
 - o Christopher G. Money Victim Witness Assistance Center
 - Lumina Alliance (DV and Rape Crisis Programs)
 - o San Luis Obispo County Sheriff's Office
 - Martha's Place Children's Center (Pediatric Care)
 - County Office of Education
 - o Child Welfare Services
 - Child Advocacy Center- recent partnership that allows us to coordinate CalVCB applications to avoid duplication and to ensure every child served by either agency has an open Victim Compensation Claim. (No MOU yet but we just added each other to a release of information on this area).
- 2). The demographics for the youth served during this time period are as follows: 54% were female and 45% were male.

4% Asian
2% Black or African American
34% Declined to state or unknown
5.5% Hispanic or Latino
5% two or more races
49% White
.5% Other

Ages 0-5 years 26% 6-12 years31% 13-17 years 29% 18-21 years 13%

	_
	_
Financial Report: (A financial statement detailing how the City's grant funding has been or planned to be allocated.)	
We allocated 100% of the funding from this grant toward the cost of annual rent for our office complex in the city of SLO. This grant funding covers roughly 10% of the total annual cost of rent and utilities (total is approximately \$100,000).	
As of December 31, 2024, we spent \$10,000 from grant funds on rent at our office complex at 75 Higuera Street, San Luis Obispo. We spent \$4,685 per month for rent in August and September 2024, and in October spent \$680 of this grant towards the cost of the monthly rent.	
	_

Grant Metrics & Performance Outcomes Template

Metrics/Performance Outcomes Results			
Results			
 209 children in foster care served 64 attendees for volunteer info sessions 33 volunteers attended pre-service training sessions 172 volunteers attended in-service trainings Approximately 10-50 brochures distributed per tabling/outreach event (23 total tabling events). 10,866 volunteer service hours 2,808 Continuing education hours/Initial training 93,452 miles driven in SLO County 			
CASA organized the following: - 24 Volunteer Info Sessions for outreach to potential new volunteers - 4 pre-service trainings (40 hours each)			
20 "team gatherings" for current volunteers to engage and collaborate 6 Mentor groups for teens in foster care and their assigned advocates 6 Infant & Toddler Program group meetings for advocates assigned to children ages 0-5 12 in-service/continuing education presentations for advocates			
CASA staff attended the following: 23 community events to create awareness of our program and for outreach/recruitment and engagement			
Approximately 800 individuals either attended a grantee- led event or received information (orally or in-print) at community events where CASA participated			
33 surveys administered at the conclusion of pre-service advocate trainings (100% of individuals received surveys); At least 120 surveys were			
administered/received to volunteer advocates or 100% of those who attended team gatherings and volunteer support groups/meetings to ensure that those meetings are useful to the volunteers.			
To be reported by grantee in statistical section above.			

(must be reported by all grant recipients based on the services/programs they provide)

Midyear Report Due: January 20, (YEAR) - Year-End Report Due: July 20, (YEAR)

Grant Name:	Human Services Grant		
Grant Year:	2024-2025		
Type of Report:	Midyear Report (check box)	End-year Report (check box)	X
Organization:	HASLO		
Project Name:	Housing Stability with Supportive H	ousing	

Administrator's Report: (A brief synopsis of the activities of the reporting period, including a statement of the activities, service or programs provided as described in Exhibit A (your grant application) and any changes that have occurred during the reporting period. If operations or service provision have changed, please disclose,

We provided food assistance for new residents and offered emergency meals to those experiencing food insecurity. In addition, we launched a food pantry at one of our properties.

To support financial stability and independence, we assisted families with vehicle registration fees, ensuring they had reliable transportation to and from work. We also offered gas vouchers to further support mobility and access to essential services. We provided 109 bus passes.

We purchased home essentials such as beds and blankets for residents experiencing financial hardship.

Residents who engaged with their supportive services case managers were also eligible for incentives, encouraging participation in their personal development plans.

We hosted approximately 50 events throughout the year, connecting residents with partner agencies and providing enriching activities for children. These events fostered a sense of community and expanded access to valuable resources.

Statistical Report: (This section must include 1) the metrics reported as descried in Exhibit A (your grant application) and 2) the demographic data collected through the surveys.

Assessment Activities: A total of 125 assessments were completed by case managers to evaluate client needs and inform individualized service plans.

Intake Interviews: 200 intake interviews were conducted to gather baseline information and connect individuals to appropriate services.

Focus Groups: Five focus groups were held; however, resident participation was limited, indicating low interest. The focus groups were designed to support individuals transitioning from homelessness and to address smoking cessation, particularly in response to lease violation concerns.

Surveys and Demographic Data: Data was collected through surveys administered during community events to better understand the populations served and guide future outreach efforts.

Financial Report: (A financial statement detailing how the City's grant funding has been or planned to be allocated.)			
Transportation: \$2,500 Hunger/Food: \$2,500 Transitional Housing: \$2,500 Incentives: \$2,500			

Grant Metrics & Performance Outcomes Template

Metrics/Performance Outcomes	Results
 Number of individuals served. Served refers to individuals specifically receiving any of the following: Services directly provided by the grantee; Program/project applications, instructions, trainings, products, or concepts; Information (orally or in printed, in-person, virtually or over the phone); Any materials (flyers, brochures, etc.); Referrals 	1,104
2. Number of service hours provided. Service hours refer to any amount of time that is directly linked or performed as part of the work defined within the scope of the agreement signed by the grantee.	300
 3. Number of activities. Activities can be defined as gatherings either the grantee organizes or attends. In either case, grantee must specify if it attended or organized the activity. This can be events, workshops, panel discussions, roundtable discussions, presentations, etc. Activities refer to any gathering designed to promote programs, services, or concepts related to the components within the scope of the agreement signed by the grantee. Activities also refer to any gathering designed to create awareness of the programs, services, or concepts related to the components as defined within the agreement signed by the grantee. Activities also refer to any gathering designed to outreach, engage, consult, and collaborate with the community as defined within the agreement signed by the grantee 	50
4. Estimated number of individuals attending activities. Based on the scope of the agreement signed by the grantee, please provide a rough number or best estimate of individuals that 1) either attend a grantee led event or 2) approach the booth/table in which the grantee participates.	500
5. Report perception of services provided and/or engaged activities. Survey individuals to measure the impact of the services provided and/or engaged activities as described within the scope of the agreement signed by the grantee. Report in percent and total number of individuals served. Technical assistance can be provided to grantee in development of questions.	See Survey Example
6. Demographic Questions Demographic questions are highly encouraged to be completed by individuals that fall within the grantee's scope of services. A current demographic survey is available and is highly encouraged for grantee to reach out for the demographic survey template.	To be reported by grantee in statistical section above. see reports attached from properties we assisted

(must be reported by all grant recipients based on the services/programs they provide)

<u>City of San Luis Obispo</u> <u>Grant Recipient Report Template</u>

Midyear Report Due: Date - Year-End Report Due: July 20, (YEAR)

Grant Name:	Human Relations Commission HRC Grant			
Grant Year:	July 1, 2024 - June 30, 2025			
Type of Report:	Midyear Report (check box) End-year Report (check box) XX			XX
Organization:	Long Term Care Ombudsman Services of San Luis Obispo County			
Project Name:	Ombudsman Services			

Administrator's Report: (A brief synopsis of the activities of the reporting period, including a statement of the activities, service or programs provided as described in Exhibit A (your grant application) and any changes that have occurred during the reporting period. If operations or service provision have changed, please disclose, and explain the reasoning and response to changes in this section.)

We have not had any changes to our grant program or operations during this fiscal year. Thanks to the City of San Luis Obispo HRC funding, we have been able to provide care facility residents with access to the Ombudsman program, including: advocacy, facility visits, complaint investigations, Information and Assistance, community education, and witnessing Advanced Health Care Directives (nursing facilities only).

Our mid-year report highlighted an SSI recipient who was threatened with eviction. We're saddened to share that she has passed away, but we were able to ensure she remained safely housed until her final days.

Looking ahead to FY 2025–26, we face a new challenge with the sudden closure of Wilshire Community Services. This ends a collaborative, grant-funded program that provided mental health support to residents. We're now working with community partners to find alternative solutions for residents struggling with mental illness—especially those at risk of leaving care facilities against medical advice.

Statistical Report: (This section must include 1) the metrics reported as described in Exhibit A (your grant application) and 2) the demographic data collected through the surveys.

From July 1, 2024 – June 30, 2025, we had the following statistics:

- Number of Facilities: SLO City = 27, County of San Luis Obispo = 102
- New Residents to Facilities in City of San Luis Obispo: 1,003
- Total Number of Facility Residents (at 6/30/24) City of SLO: 439 County of SLO: 1,339
- Total Number of Ombudsman Volunteer Service Hours: 218, Value of Hours: \$ 6,187.79

Services/Activities Provided:

- Complaint Received: 302
- Facility Visits Provided: 2,190 (100% of facilities received at least one visit per month)
- Information and Assistance Provided: 482 Advanced Health Care Directives Witnessed: 49
- Community Education Events Provided: 21 Events, 464 Attendees

Complaint Resolution Rate

- Skilled Nursing Facilities: 251 Complaints Received, 73% Resolved
- Residential Care Facility: 89 Complaints Received, 57% Resolved

Certified Ombudsman Training: 10 Ombudsman: 100% received required training hours

Financial Report: (A financial statement detailing how the City's grant funding has been or planned to be allocated.)

<u>City of San Luis Obispo</u> <u>Grant Recipient Report Template</u>

Midyear Report Due: Date - Year-End Report Due: July 20, (YEAR)

Grant Name:	Human Relations Commission Human Services Grant			
Grant Year:	2024-2025			
Type of Report:	Midyear Report (check box) End-year Report (check box) X			Χ
Organization:	Lumina Alliance			
Project Name:	Emergency Shelter Program for Sexual Assault and Intimate Partner Violence Survivors			

Administrator's Report: (A brief synopsis of the activities of the reporting period, including a statement of the activities, service or programs provided as described in Exhibit A (your grant application) and any changes that have occurred during the reporting period. If operations or service provision have changed, please disclose, and explain the reasoning and response to changes in this section.)

Lumina Alliance provided no-cost emergency shelter services to survivors during the reporting period with designated staff providing bilingual services. Clients receiving shelter services have access to all other Lumina Alliance advocacy, therapy, and referrals to SLOLAF for legal assistance.

Clients staying in our shelters often utilize our case management and therapy services. Lumina Alliance Advocates, staff who are assigned to work with shelter clients, help survivors achieve secure housing and connect them to therapy services and any further case management necessary including legal referrals. All of our services are carried out with a lens of cultural sensitivity and language diversity to best empower survivors in achieving self-sufficiency.

Statistical Report: (This section must include 1) the metrics reported as descried in Exhibit A (your grant application) and 2) the demographic data collected through the surveys.

- 1)100% of clients feel that the services they received were culturally-appropriate.
 100% of clients feel that the services they received increased their sense of safety.
 92% of clients feel that the services they received increased their sense of self-sufficiency.
- 2) Lumina Alliance collects client demographics through our intake forms, the following are statistics we have collected on the shelter clients served during this reporting period:

Ages: 34% under 18; 27% under 13; 5% between 18 and 24; 27% between 25 and 39; 30% between 40 and 60; and 5 % greater than 60. **Gender:** 83% Female, 16% Male, 1% Not Collected. **Race/Ethnicity:** 55% White, 23% Hispanic/Latino, 7% Multiple Races, 4% American Indian or Alaska Native, 11% Not collected, 1.3% Native Hawaiian or Other Pacific Islander. **Primary language spoken:** 89.3% English, 9.3% Spanish, 1.3% ASL. **Disability Status:** 29.3% mental/physical/cognitive, 1.3% Deaf/Hearing.

Financial Report: (A financial statement detailing how the City's grant funding has been or planned to be allocated.)

Grant Metrics & Performance Outcomes Template

Grant Metrics & Performance Outcomes Template			
Metrics/Performance Outcomes	Results		
 Number of individuals served. Served refers to individuals specifically receiving any of the following: Services directly provided by the grantee; Program/project applications, instructions, trainings, products, or concepts; Information (orally or in printed, in-person, virtually or over the phone); Any materials (flyers, brochures, pamphlets, etc.); Referrals (via phone, in person, electronically, etc.) 	75 clients resided in Lumina Alliance's Emergency Shelters during the reporting period.		
2. Number of service hours provided. Service hours refer to any amount of time that is directly linked or performed as part of the work defined within the scope of the agreement signed by the grantee.	75 clients resided in Lumina Alliance's Emergency Shelter program during the reporting program for a total of 1931 bednights.		
 3. Number of activities. Activities can be defined as gatherings, events, or service provision either the grantee organizes or attends. In either case, grantee must specify if it attended or organized the activity, event, or service provision. This can be events, workshops, panel discussions, roundtable discussions, presentations, visits, consultations, advocacy on behalf of clients, etc. Activities include any gathering, presentation, event, service provision or activity designed to promote programs, services, or concepts related to the components within the scope of the agreement signed by the grantee. Activities also refer to any gathering, presentation, event, service provision, or activity designed to create awareness of the programs, services, or concepts related to the components as defined within the agreement signed by the grantee. Activities also refer to any gathering designed to outreach, engage, consult, advocate, visit, and collaborate with the community as defined within the agreement signed by the grantee. 	Lumina Alliance's Emergency Shelter programs are included in all regular organization outreach and awareness activities year-round. This year, HRC HSG funding supports the general operation of our Emergency Shelter program, but does not include direct outreach activities.		
4. Estimated number of individuals attending activities. Based on the scope of the agreement signed by the grantee, please provide a rough number or best estimate of individuals that 1) either attend a grantee led event or 2) approach the booth/table in which the grantee participates.	Lumina Alliance's Emergency Shelter programs are included in all regular organization outreach and awareness activities year-round. This year, HRC HSG funding supports the general operation of our Emergency Shelter program, but does not include direct outreach activities.		
5. Report perception of services provided and/or engaged activities. Survey individuals to measure the impact of the services provided and/or engaged activities as described within the scope of the agreement signed by the grantee. Report in percent and total number of individuals served. Technical assistance can be provided to grantee in development of questions. 6. Demographic Questions Demographic questions are highly encouraged to be completed by individuals that fall within the grantee's scope of services. A current demographic survey is available and is highly encouraged for grantee to reach out for the demographic survey template.	100% of clients feel that the services they received were culturally-appropriate. 100% of clients feel that the services they received increased their sense of safety. 92% of clients feel that the services they received increased their sense of self-sufficiency. To be reported by grantee in statistical section above.

City of San Luis Obispo Grant Recipient Report Template

Midyear Report Due: Jan. 20, 2025 End Report Due: July 20, (2025)

Grant Name:	Human Services Grant			
Grant Year:	FY 2024-25			
Type of Report:	Midyear Report () End-year Report (X)			
Organization:	Meals That Connect - Senior Nutrition Program			
Project Name:	Meals for Seniors in San Luis Obispo			

Administrator's Report: (A brief synopsis of the activities of the reporting period, including a statement of the activities, service or programs provided as described in Exhibit A (your grant application) and any changes that have occurred during the reporting period. *If operations or service provision have changed, please disclose, and explain the reasoning and response to changes in this section.*)

During this reporting period, Meals That Connect (MTC) continued to provide essential nutrition services to seniors in the City of San Luis Obispo, addressing the growing demand in a county where the senior population exceeds both state and national averages. MTC provided 44,464 meals to 313 seniors in the City of San Luis Obispo, ensuring they had access to nutritious, balanced meals that support their health, independence, and well-being.

The majority of our clients—84%—receive home-delivered meals, reflecting the increased vulnerability of this population. These individuals often face food insecurity, financial hardship, and mobility limitations that make it difficult to shop or prepare meals independently. Our services allow them to age in place safely, reducing the risk of homelessness or premature institutionalization, which would place a greater financial burden on taxpayers.

Recent media coverage in **The San Luis Obispo Tribune (November 2024) underscored the growing crisis of homeless seniors** in our community, with rising costs forcing many older adults out of stable housing. Focus group participants cited the **cost of living as a primary reason for housing loss**—a challenge MTC directly addresses by **providing five free meals per week, plus frozen meals for weekends and holidays.** This vital support helps seniors stay in their homes by freeing up limited financial resources for rent, utilities, and medical expenses.

Program Adaptations & Response to Needs

As the senior population continues to grow, **MTC** remains committed to adapting our services to meet evolving needs. During this reporting period, we focused on:

- Strengthening outreach efforts to ensure all eligible seniors in need are aware of our services.
- Enhancing volunteer engagement to maintain efficient meal deliveries and social connections.
- **Exploring additional funding opportunities** to sustain and expand meal services in response to increased demand.

MTC's free, nutritious meals do more than feed seniors—they provide stability, dignity, and connection. We remain dedicated to ensuring that no senior in San Luis Obispo goes hungry or feels forgotten.

Statistical Report: (This section must include 1) the metrics reported as described in Exhibit A (your grant application) and 2) the demographic data collected through the surveys.

1) July 1, 2024 - June 30, 2025

,	· · · · · · · · · · · · · · · · · · ·
Methods of Evaluation	Indicators of Success/Measurable Outcomes
Number of meals served at our San Luis Obispo Location	44,464 meals were served for the 2024-25 FY.
Client Satisfaction Survey	Client Survey will be conducted in May of 2025
Quarterly Health Assessments for Homebound Clients	100% of Active Homebound Clients have received health Assessments
Number of City of SLO Senior Residents Served	313 Seniors residing in the City of SLO received services with an avg. of 133 meals per resident served.

- 2) Demographic data from our SLO dining sites further highlights the critical need for MTC's services:
 - 36% of clients are aged 85+ and require additional support to maintain independence.
 - 58% are women, many of whom outlive spouses and face economic insecurity.
 - 57% identify as disabled, underscoring the challenges of meal preparation and mobility.
 - **36% are low-income,** struggling to afford basic necessities.
 - **61% live alone,** at risk of social isolation and loneliness.
 - 16% are veterans, who have served our country and now rely on community support.

City of San Luis Obispo Grant Recipient Report Template

Midyear Report Due: 2/15/25 Year-End Report Due: July 21, 2025

Grant Name:	2025 HSG Grant		
Grant Year:	2024-25		
Type of Report:	Midyear Report (check box) End-year Report (check box)		x
Organization:	Middle House		
Project Name:	Alumni Housing Grant		

Administrator's Report: (A brief synopsis of the activities of the reporting period, including a statement of the activities, service or programs provided as described in Exhibit A (your grant application) and any changes that have occurred during the reporting period. If operations or service provision have changed, please disclose, and explain the reasoning and response to changes in this section.)

Middle House received a \$6,250 grant to assist residents with deposit money to move into their own place. This grant was titled "2025 HSG: Grant for Alumni Housing". We provide \$1,250 to homeless individuals who have stayed sober and completed our one-year program. A total of five homeless will be assisted by this Grant.

Statistical Report: (This section must include 1) the metrics reported as descried in Exhibit A (your grant application) and 2) the demographic data collected through the surveys.

Statistical Report: Our sober living facility in San Luis Obispo has 14 residents and 2 staff that live on site. We provide 24-hour testing for the use of alcohol and other drugs. Residents are provided with one hot meal per day thanks to our partnership with the SLO county food bank. Additional free food is provided along with free laundry facilities, wi-fi, and group activities. Residents and staff frequently volunteer to assist other local non profits such as Operation Surf, SLO Symphony and the NAACP. Our sober living facility is considered a temporary emergency shelter contingent on the residents being sober. Testing and oversight are performed around the clock. Thousands of SLO county residents have begun their journey to long term sobriety at Middle House. We have been in continuous operation since 1966.

Financial Report: (A financial statement detailing how the City's grant funding has been or planned to be allocated.)

So far the recipients of this grant are:

Jason Fisser Amount \$1,250

Roman Navarro Amount \$1,250 Chris Rose Amount \$1,250

Brian Hughes Amount \$1,250

Allocated but not yet awarded: Brian Baxter (he's looking for a place) Amount \$1,250

Note: all of these individuals moved into Middle House when they were homeless and stayed sober for at least 1 year.

City of San Luis Obispo Grant Recipient Report Template

Midyear Report Due: 2/15/25 Year-End Report Due: July 10, 2025

Grant Name:	2025 HSG Grant		
Grant Year:	2024-25		
Type of Report:	Midyear Report (check box) End-year Report (check box)		x
Organization:	Middle House		
Project Name:	Early Recovery Assistance Grant		

Administrator's Report: (A brief synopsis of the activities of the reporting period, including a statement of the activities, service or programs provided as described in Exhibit A (your grant application) and any changes that have occurred during the reporting period. If operations or service provision have changed, please disclose, and explain the reasoning and response to changes in this section.)

Middle House received a \$5,600 grant to assist homeless individuals in early recovery from addiction to alcohol and other drugs. This grant was titled "2025 HSG: Grant for Early Recovery Assistance". We provide \$800 of program fee assistance to homeless individuals. This covers 5 weeks free room and board at our San Luis Obispo sober living facility. Residents are encouraged to detox their bodies, groom themselves and perform healthy self care activities in order to become employable. A total of seven homeless will be assisted by this Grant. All the grant monies received by our non-profit organization directly benefit the homeless, 0% is used for administrative fees within our organization.

Statistical Report: (This section must include 1) the metrics reported as descried in Exhibit A (your grant application) and 2) the demographic data collected through the surveys.

Statistical Report: Our sober living facility in San Luis Obispo has 14 residents and 2 staff that live on site. We provide 24-hour testing for the use of alcohol and other drugs. Residents are provided with one hot meal per day thanks to our partnership with the SLO county food bank. Additional free food is provided along with free laundry facilities, wi-fi, and group activities. Residents and staff frequently volunteer to assist other local non profits such as Operation Surf, SLO Symphony and the NAACP. Our sober living facility is considered a temporary emergency shelter contingent on the residents being sober. Testing and oversight are performed around the clock. Thousands of SLO county residents have begun their journey to long term sobriety at Middle House. We have been in continuous operation since 1966.

Financial Report: (A financial statement detailing how the City's grant funding has been or planned to be allocated.)

The recipients of this grant were: Nickolas Johnson, Jason Fisser, Mike Baxter, Sean Quinn, Ted Meissner, Brandon Mayfeild and Elijah Kulinsky

All these individuals moved into Middle House homeless and unemployed. Early recovery assistance paid for 5 weeks of rent while they sought gainful employment.

Grant Metrics & Performance Outcomes Template

Metrics/Performance Outcomes	Results
1. Number of individuals served. Served refers to individuals specifically receiving any of the following: • Services directly provided by the grantee; • Program/project applications, instructions, trainings, products, or concepts; • Information (orally or in printed, in-person, virtually or over the phone); • Any materials (flyers, brochures, pamphlets, etc.); • Referrals (via phone, in person, electronically, etc.) 2. Number of service hours provided.	320
Service hours refer to any amount of time that is directly linked or performed as part of the work defined within the scope of the agreement signed by the grantee.	40 hours weekly
 3. Number of activities. Activities can be defined as gatherings, events, or service provision either the grantee organizes or attends. In either case, grantee must specify if it attended or organized the activity, event, or service provision. This can be events, workshops, panel discussions, roundtable discussions, presentations, visits, consultations, advocacy on behalf of clients, etc. Activities include any gathering, presentation, event, service provision or activity designed to promote programs, services, or concepts related to the components within the scope of the agreement signed by the grantee. Activities also refer to any gathering, presentation, event, service provision, or activity designed to create awareness of the programs, services, or concepts related to the components as defined within the agreement signed by the grantee. Activities also refer to any gathering designed to outreach, engage, consult, advocate, visit, and collaborate with the community as defined within the agreement signed by the grantee. 	Annual 12 step Meetings: 260 Annual BBQs and free food events: 312 Annual Community outreach and volunteering with other non-profits: 12 Annual Community Clean up events: 52
4. Estimated number of individuals attending activities. Based on the scope of the agreement signed by the grantee, please provide a rough number or best estimate of individuals that 1) either attend a grantee led event or 2) approach the booth/table in which the grantee participates.	32
5. Report perception of services provided and/or engaged activities. Survey individuals to measure the impact of the services provided and/or engaged activities as described within the scope of the agreement signed by the grantee. Report in percent and total number of individuals served. Technical assistance can be provided to grantee in development of questions.	This grant had an outstanding positive impact on the recipients. It helped homeless recovering addicts afford local housing.
6. Demographic Questions Demographic questions are highly encouraged to be completed by ndividuals that fall within the grantee's scope of services. A current demographic survey is available and is highly encouraged for grantee to reach out for the demographic survey template.	To be reported by grantee in statistical section above.

(must be reported by all grant recipients)

City of San Luis Obispo Grant Recipient Report

Midyear Report Due:

Year-End Report Due: July 20, 2025

Grant Name:	HUMAN SERVICES GRANT AWARD PROGRAM		
Grant Year:	2024-2025		
Type of Report:	Midyear Report (check box)	End-year Report (check box)	X
Organization:	Restorative Partners Inc.	e:	
Project Name:	Opportunity to Fund		

Administrator's Report: (A brief synopsis of the activities of the reporting period, including a statement of the activities, services, or programs provided as described in Exhibit A (your grant application) and any changes that have occurred during the reporting period. If operations or service provision have changed, please disclose, and explain the reasoning and response to changes in this section.)

During this reporting period, January 2025-June 2025, the Opportunity to Fund has successfully delivered core services. Here are specific activities and services during the reporting period. We did not have operational changes.

Direct Financial Assistance

- Distributed \$ _2,862.73 in Human Services Grants for 67 services for 62 participants
- Provided emergency assistance for transportation, equipment clothing, and vital documents
- Supported Right-to-Work documentation acquisition

Program Achievements

- Exceeded service targets by supporting a total of 130 participants for the year (original goal: 80)
- Maintained successful partnerships with community organizations and government agencies
- Expanded support services to include comprehensive case management
- Increased focus on housing support due to rising housing costs
- Enhanced transportation assistance program to address employment barriers

To illustrate the life-changing impact of our work, we would like to share Scott's story. At 34 years old, Scott came to Restorative Partners after spending most of his life in and out of incarceration, beginning at just 14 years old, and most recently completing an 18-year prison sentence. With no formal employment history, no driver license, and limited support, Scott faced overwhelming barriers to rebuilding his life.

With the compassionate guidance of his Restorative Partners System Navigator and the support of our Opportunity to Fund, Scott began taking tangible steps forward. He obtained his vital documents, including his very first California driver license, and received transportation assistance and work-ready clothing. Through resume development and mock interview workshops, Scott built both the skills and confidence he needed to pursue employment.

Shortly thereafter, Scott was hired by a well-respected solar company, and has since excelled, earning his way into a management position. His journey is a powerful testament to what is possible when dignity, opportunity, and support are restored.

Statistical Report: (This section must include 1) the metrics reported as described in Exhibit A (your grant application) and 2) the demographic data collected through the surveys.

Exhibit A of the application:

Methods of Evaluation	Indicators of Success / Measurable Outcomes
Initial Intake interview and BRSI assessment	The appropriate needs are identified and prioritized according to the individual's abilities and eligibility to resources. The BRSI is reviewed after 6 months for expected lowered scores after meeting basic needs. (Scoring ranges from 12-48: 12 being lowest risk/need and 48 being highest risk/need)
Goal setting and action planning	Participants reach determined goals and their progress is assessed weekly, monthly, quarterly. Milestones such as: obtaining housing, employment, certifications, work gear, transportation i.e. bikes, public transportation (bus passes), licenses, and enrollment into DUI classes are considered successful outcomes. A budget is established with the client to determine eligibility to apply for the Opportunity Fund to assist with basic needs. The application will determine if all resources have been exhausted prior to receiving funds and confirm the approved amount.
In-person and/or regular phone call check-ins	System Navigators will contact clients weekly, monthly and quarterly to monitor progress on set goals and whether basic emergency needs have been met after applying for funds.
Surveys/Exit Interviews to evaluate services and programs received	Every participant will have completed an exit interview to evaluate services and program benefits. Follow up with the client through a survey during the exit interview will be completed.

Grant Metrics & Performance Outcomes

Metrics/Performance Outcomes	Results
Number of new intakes and BRSI completed to appropriately identify needs:	79
2. Number of participants having received funds after establishing a budget and applying for the Opportunity to fund:	21
3. Number of contacts to individuals to monitor the progress of having basic emergency needs met through funds:	236
4. Report perception of services provided and/or engaged activities.	100% success rate

Demographic data of people served collected:

From January 1, 2025, to June 30, 2025, Restorative Partners (RP) utilized the remaining \$2,862.73 of our \$10,000.00 allocation, after mid-year funds were applied, to provide 67 individual services to 62 participants.

The accompanying image presents a detailed breakdown of client requests, highlighting the categories in which participants sought support. Transportation emerged as a leading need, serving as a vital link to employment opportunities and long-term stability. A significant number of participants also requested assistance with basic necessities, reflecting the essential role RP plays in helping justice-involved individuals rebuild their lives with dignity. Each service provided represents a meaningful step toward greater self-sufficiency, sustainable housing, and improved overall well-being.

Grant Metrics & Performance Outcomes Template

Metrics/Performance Outcomes	Results
 1. Number of individuals served. Served refers to individuals specifically receiving any of the following: Services directly provided by the grantee; Program/project applications, instructions, trainings, products, or concepts; Information (orally or in printed, in-person, virtually or over the phone); Any materials (flyers, brochures, pamphlets, etc.); Referrals (via phone, in person, electronically, etc.) 	For the period July 1st through June 30th 2025, Shower the People had 7,783 people request services in person. 6,387 received supplies and a shower, 1,078 only wanted supplies and 318 were given supplies but turned away from showers due to time constraints in operating hours.
2. Number of service hours provided. Service hours refer to any amount of time that is directly linked or performed as part of the work defined within the scope of the agreement signed by the grantee.	For the period July 1 st through June 30 th 2025, Shower the People provided showers for 259 days for 3 hours each day. Shower the People had 84 unique volunteers onsite assisting in showers contribute 5,595 hours. There was an additional 1000 hours offsite in supporting roles managing supplies and community outreach
 3. Number of activities. Activities can be defined as gatherings, events, or service provision either the grantee organizes or attends. In either case, grantee must specify if it attended or organized the activity, event, or service provision. This can be events, workshops, panel discussions, roundtable discussions, presentations, visits, consultations, advocacy on behalf of clients, etc. Activities include any gathering, presentation, event, service provision or activity designed to promote programs, services, or concepts related to the components within the scope of the agreement signed by the grantee. Activities also refer to any gathering, presentation, event, service provision, or activity designed to create awareness of the programs, services, or concepts related to the components as defined within the agreement signed by the grantee. Activities also refer to any gathering designed to outreach, engage, consult, advocate, visit, and collaborate with the community as defined within the agreement signed by the grantee. 	For the period July 1st through June 30th 2025, Shower the People provided shower 5 days per week at up to 5 locations in San Luis Obispo and South County. We provided showers on 207 days in the city of San Luis Obispo city limits. We handed out thousands of combs, toothbrushes, toothpaste, hand sanitizer bottles, razors, feminine products along with 6,037 T-shirts, 5,519 boxers and 6,373 pairs of socks. We participated in presentations to churches, civic groups about the services we provide and participated in the San Luis Obispo Christmas Parade to share what we do
4. Estimated number of individuals attending activities. Based on the scope of the agreement signed by the grantee, please provide a rough number or best estimate of individuals that 1) either attend a grantee led event or 2) approach the booth/table in which the grantee participates.	For the period July 1st through June 30th 2025, Shower the People had 7,783 people request services in person. 6,387 received supplies and a shower, 1,078 only wanted supplies and 318 were given supplies but turned away from showers due to time constraints in operating hours.

5. Report perception of services provided and/or engaged activities.

Survey individuals to measure the impact of the services provided and/or engaged activities as described within the scope of the agreement signed by the grantee. Report in percent and total number of individuals served. Technical assistance can be provided to grantee in development of questions.

We ask 100% of our 7,783 guests after each shower how the shower went. Feedback is forwarded to the site supervisor for review and integration into our shower program if needed. We offer each guest written resource materials on where to immediately get food, water, shelter, clothing, Drug Treatment and other community resources

Demographic Questions

Demographic questions are highly encouraged to be completed by individuals that fall within the grantee's scope of services. A current demographic survey is available and is highly encouraged for grantee to reach out for the demographic survey template.

For the period July 1st through June 30th 2025, Shower the People had 7,783 guests including 6,046 men and 1,737 women. 369 guests identified as Veterans. We provided 24 showers to guests under the age of 18, 140 showers to guests age 18-24, 3,328 guests age 25-49, 3,287 guests age 50-64 and 1,002 guests over age 65.

Exhibit B

City of San Luis Obispo Grant Recipient Report Template

Midyear Report Due: January 20, (YEAR) - Year-End Report Due: July 20, (YEAR)

Grant Name:	Human Services Grant Award								
Grant Year:	2024-25								
Type of Report:	Midyear Report (check box)		End-year Report (check box)	X					
Organization:	Smart Share Housing Solutions								
Project Name:	Community Housing Provision / Homeless Prevention								

Administrator's Report: (A brief synopsis of the activities of the reporting period, including a statement of the activities, service or programs provided as described in Exhibit A (your grant application) and any changes that have occurred during the reporting period. If operations or service provision have changed, please disclose, and explain the reasoning and response to changes in this section.)

Between 1 January and 30 June 2025, Smart Share held an additional 3 homesharing workshops and 2 ADU workshops. At the homesharing events, several seekers explored joining forces to find housing together—an unexpected, organic variation on services provided. Without funding for site feasibility visits, the impact of the ADU workshops is difficult to measure, but attendance was good and many questions were answered. A video of the workshop is now available on YouTube for people who couldn't attend in person or want to review. SSHS also produced and released a series of 5 educational homesharing videos, published 17 blog posts with more detailed information, links and print files; made dozens of social media posts and sent several bulk emails linking resources. The organization continues to provide housing mentoring and resources to anyone who asks and is considering new ways to promote homesharing in the county.

Statistical Report: (This section must include 1) the metrics reported as descried in Exhibit A (your grant application) and 2) the demographic data collected through the surveys.

Methods of Evaluation	Indicators of success/measurable outcomes	Year-end Results
8 City of SLO events/workshops providing information about housing options	minimum attendance 40 City residents, who learn about homesharing, ADU and Waterman Village small home and other available housing options	A total of 10 events were produced, with 107 attendees, 53 from San Luis Obispo. (Goal exceeded.)
SLO City resident HomeShareSLO client intake	Minimum of 10 SLO City resident new client intakes HomeShare SLO program	5 new HSSLO clients entered the HSSLO program from SLO (50% of goal; program paused)
Provision of housing mentoring services, referrals to other assistance and Smart Share programs, by phone and email	Provided to a minimum of 50 City of SLO residents to assist them with housing needs, whether Smart Share can serve them or other agencies	Between 47-51 individuals from SLO were given housing resources and mentoring without enrolling in the HSSLO program. (Goal met.)
Participant Survey	Send out a survey to all spring event participants w/ emails	Average rating was 5 stars: "It moved along smoothly with valuable info and time for questions." "Very informative and interesting!

Financial Report: (A financial statement detailing how the City's grant funding has been or planned to be allocated.)

Amount remaining in the grant fund: \$2368

Homesharing Events April 16, 30 and May 14, 2025 at 466 Dana St.

Outreach/PR: 3 hrs/event at \$35/hr=\$105 x 3= \$315

Planning/Coordination: 4hrs/event at \$35/hr=\$140 x 3=\$420

Materials/supplies: \$100/event=\$300 Total for Homesharing Events: \$1035

ADU Workshops: 2 back-to-back workshops on May 21, 2025 at the Library

Outreach/PR: 6 hrs@\$35=\$210

Print Ad: \$236

Materials/Supplies: \$100

Planning/Coordination: 5 hrs @35/hr=\$175

Venue rental: \$271

Video production: 4 hrs @ \$35/hr = \$140

Total for ADU Workshops: \$1132

HSSLO Client Intake/Management

Housing Mentoring and Service Referrals: Average of 20 minutes each x

23=7.5 hrs@\$35=\$263

Total for Events: \$2167

Total for HSSLO Client Intake: \$0 Total for Housing Mentoring: \$263

Grand Total for 2nd report: \$2430 (over by \$62)

Grant Metrics & Performance Outcomes Template

Metrics/Performance Outcomes	Results
1. Number of individuals served.	About 360 total individuals served with
Served refers to individuals specifically receiving any of the following: Services directly provided by the grantee; •Program/project applications, instructions, trainings, products, or concepts; •Information (orally or in printed, in-person, virtually or over the phone); •Any materials (flyers, brochures, etc.); • Referrals	approx 100 known to be from City of SLO. There are likely more, because some people don't give us their location. That also doesn't count the number of people who viewed blog or social media posts; that's difficult to track.
2. Number of service hours provided. Service hours refer to any amount of time that is directly linked or performed as part of the work defined within the scope of the agreement signed by the grantee.	Total of 137 staff hours over 12 months
3. Number of activities. Activities can be defined as gatherings either the grantee organizes or attends. In either case, grantee must specify if it attended or organized the activity. This can be events, workshops, panel discussions, roundtable discussions, presentations, etc. • Activities refer to any gathering designed to promote programs, services, or concepts related to the components within the scope of the agreement signed by the grantee. • Activities also refer to any gathering designed to create awareness of the programs, services, or concepts related to the components as defined within the agreement signed by the grantee. • Activities also refer to any gathering designed to outreach, engage, consult, and collaborate with the community as defined within the agreement signed by the grantee	Planned, promoted and executed seven homesharing events, two ADU SLO workshops and one neighborhood meeting about Waterman Village for a total of ten events.
4. Estimated number of individuals attending activities. Based on the scope of the agreement signed by the grantee, please provide a rough number or best estimate of individuals that 1) either attend a grantee led event or 2) approach the booth/table in which the grantee participates.	Approximately 157 individuals attended events. Another 201 individuals received housing mentoring outside of events.
5. Report perception of services provided and/or engaged activities. Survey individuals to measure the impact of the services provided and/or engaged activities as described within the scope of the agreement signed by the grantee. Report in percent and total number of individuals served. Technical assistance can be provided to grantee in development of questions.	A survey was sent to all participants in the spring events. Average rating was 5 stars. All feedback was positive.
6. Demographic Questions Demographic questions are highly encouraged to be completed by individuals that fall within the grantee's scope of services. A current demographic survey is available and is highly encouraged for grantee to reach out for the demographic survey template.	To be reported by grantee in statistical section above.

(must be reported by all grant recipients based on the services/programs they provide)
