PROJECT INFORMATION

OWNER:
BULLOCK RANCH, LLC
125 South Bowling Green Way
Los Angeles, CA 90049
310.927.3675

ARCHITECT:
KITY GROUP, Inc.
17911 Von Karman Avenue, Suite 200
Irvine, CA 92614
949.851.2133

CIVIL ENGINEER:
ROBERTS ENGINEERING
Templeton, CA 93465
805.239.0664

LANDSCAPE ARCHITECT:

SITESCAPES, Inc.
3190B-2 Airport Loop Drive
Costa Mesa, CA 92626
949.644.9370

PROJECT DESCRIPTION:

The project consists of 192 residential units including 8 live+work units on a site of 10.34 net acres. Homes are provided in 10 unit plans types ranging from 733 sf to 2,508 sf with 1 to 4 bedrooms. All homes include private garages and on-street parking. The community has a clubhouse, pool, landscaped paseos, and dramatic main street with a multiuse trail which extends the length of the development and connects to the regional bike path on the west side of Bullock Lane.

(*) Denotes plant material to be used within the bio-swale

NOTE:
The plant palette is designed to use a combination of "Low" and "Medium" water use plant material to meet the criteria required by the Model Water Efficient Ordinance. This material coupled with the state-of-the-art weather based irrigation system will meet or exceed the water's requirements.

PROPOSED METHOD OF IRRIGATION:
All of the proposed landscape areas shall be irrigated by means of an automatic irrigation system consisting of high-efficiency, low flow drip emitters, spray, or rotor spray devices. Weather-based controllers shall also be utilized. A water budget shall be developed for landscape irrigation use that conforms to the San Luis Obispo's local water efficient landscape ordinance or the California Department of Resources Model Water Efficient Landscape Ordinance (MWELO) whichever is more significant.
