SUBJECT: Removal Application SR# 12496

On April 11, 2022, I posted one Ash tree at 439 Branch Street in response to Tree Removal Application SR#12496. The removal of the mentioned application was submitted based on:

San Luis Municipal Code 12.24. 090.E.3

Tree removal requests based on property owner convenience shall be subject to tree committee review in accordance with the process set forth in subsection (F)(2) of this section, the relevant additional application requirements set forth in subsection (D)(2) of this section, and the criteria set forth in subsection G of this section.

This item was heard by the Tree Committee on April 25, 2022, and the Committee made the decision to continue the item to a date certain, the May 23, 2022 Tree Committee meeting, to give the applicant additional time to expose and document root intrusion near the foundation, and to receive written notice of consent from the property owner where tree is located.
