What edits to the FY 21-23 Major City Goals would you make to focus on the most important items in these Goal areas?

Economic Recovery, Resiliency & Fiscal Sustainability

In collaboration with local partners, continue to support economic recovery for all from the COVID pandemic and support a thriving local economy by supporting local businesses, arts and culture, downtown vitality, practicing fiscal responsibility, paying down unfunded pension liabilities, and investing in critical infrastructure.

Housing and Homelessness

To expand housing options for all, continue to facilitate the production of housing, including the necessary supporting infrastructure, with an emphasis on affordable and workforce housing. Collaborate with local non-profit partners and the county, the state, and federal governments to discover and implement comprehensive and effective strategies to reduce chronic homelessness.

Are there any Major City Goals that need to be added?

Within the current goals or high-level, high importance tasks, what do you think could be stopped or deferred (if needed)?
